automobile, usually  
called a car (an old word  
for carriage) or a truck,  
is a wheeled vehicle that  
carries its own engine.

Older terms include horseless carriage and motor car, with “motor” referring to what is now usually called the engine. It has seats for the driver and, almost without exception, for at least one passenger. The automobile was hailed as an environmental improvement over horses when it was first introduced. Before its
