techniques and rhythmic language required to play drums, but how to use that knowledge in a musical way. I found that students were learning particular technical elements of drumming without realising, meaning their ability was becoming wasted as they wouldn't know what to do with it.

# Get Free A Modern Method For

I wrote this book to change that - to teach you the raw basics of drumming, then show you what you can do with that ability. The book is written in 10 main sections, with section 11 consisting of warm-ups. The sections are broadly based on ability (from beginner to advanced),
