America's Man on Horseback is an inflammatory, politically incorrect book - humor for those who think, horror for those who feel. Using a historical paradigm, Guy Odom predicts that present-day social conditions - decline in education, drunk driving "accidents," illegal immigration, illegal drug use, financial scams, gang warfare, robbery, rape, murder, HIV infections, race riots, corrupt politicians, inflation and foreign terrorism - will worsen tenfold by the year 2013.
