Had everyone bitten tonight caught this? The other bites had not looked like vampire bites. They'd been zombie, or human looking. Was this infection something that vampires and shapeshifters could catch? If it was, then it was something new. Some zombies are raised. Others must be put down. Just ask me, Anita Blake, Vampire Hunter. Before now, I figured I could handle them. Before now, I had never heard of any of them causing human beings to perish in agony. But that's all changed. Micah's estranged father lies dying, rotting away inside from some strange ailment that has his doctor's whispering about 'zombie disease'. I make my living from zombies - but these aren't the kind I know so well. These creatures hunt in daylight, and are as fast and strong as vampires. If they bite you, you become just like them. And round and round it goes ... Where will it stop? Even I don't know.

Une aventure d'Anita Blake, tueuse de vampires Il y a des zombies qu'on relève. D'autres qu'il faut abattre. Jusqu'à maintenant, j'ai toujours considéré les zombies comme un peu dérangeants, mais pas comme dangereux. Jamais je n'avais entendu dire qu'ils pouvaient provoquer la mort dans d'atroces souffrances. Mais tout vient de changer. Le père de Micah est mourant, atteint d'une maladie étrange que les médecins hésitent encore à appeler « zombification ». Les zombies sont mon gagne-pain, mais ceux-là ne ressemblent à rien de connu. Ils chassent en plein jour et sont aussi forts et rapides que des vampires. S'ils vous mordent, vous devenez comme eux... Jusqu'où ça ira ? Même moi, je l'ignore.

Watch a video The music came back up and the next group of little girls, slightly older, came out. There was a lot of that in the next hour and change. This dark goddess has reached out to her here-in St. Louis, home of everyone Anita loves most. The Mother of All Darkness has decided she has to act now or never, to control Anita, and all the vampires in America. The Mother of All Darkness believes that the triumvirate created by master vampire Jean-Claude with Anita and the werewolf Richard Zeeman has enough power for her to regain a body and to immigrate to the New World. But the body she wants to possess is already taken. Anita is about to learn a whole new meaning to sharing her body, one that has nothing to do with the bedroom. And if the Mother of All Darkness can't succeed in taking over Anita's body for herself, she means to see that no one else has the use of it, ever again. Even Belle Morte, not always a friend to Anita, has sent word: "Run if you can..."
