One year after his big golf tournament win, Travis McKinley struggles to find a place in the world of professional sports in this inspiring novel. A year ago, unknown golfing amateur Travis McKinley shocked the world by winning the PGA Senior Open at Pebble Beach. Now he's famous, he makes his living playing the game he loves, and everything should be perfect. Still, Travis can't shake the feeling that he's a fraud, an imposter who doesn't deserve his success-and after a series of disappointments and personal screw-ups, he might just prove himself right. A shot at redemption arrives in an unexpected form: a teenage outcast with troubles of his own . . . and a natural golf swing. As this unlikely duo sets out to achieve the impossible on the world's most revered golf course, Travis is about to learn that sometimes the greatest miracles of all take place when no one is watching.

Travis McKinley's life has drifted sideways. His job, his marriage, even his children all feel disconnected and distant. Has he really accomplished nothing of consequence in his life? One Christmas Day, Travis plays a round of golf and finds himself for the first time in the zone--playing like a pro. In astonishingly short order, Travis is catapulted into the PGA Senior Open at Pebble Beach, where he advances to the final round. And while his wife, his children, and a live television audience watch, a miracle takes place that changes Travis, and his family, forever.

In this inspiring novel, one ordinary man makes the pilgrimage to the mythical greens of St. Andrews--the birthplace of golf--on a search for greatness. If golf novels had a leaderboard, Miracle at St. Andrews would be at the top. Though nobody has ever identified a single secret--no universally accepted truth--to the sport, every real player searches for one. Travis McKinley is one such seeker. A former professional golfer who feels like he's an amateur at the rest of life, he makes a pilgrimage to the mythical greens at St. Andrews. On the course where golf was born, every link, hole, fairway--even the gorse--feels like sacred ground. Ground that can help an ordinary player, an ordinary man, achieve a higher plane.

The crime turns the glittering playground for the super-rich into a blazing inferno. Dunleavy's client is a local hero, but he knows the case rests on money, deception, and forbidden desires. But payback is a bitch, especially from the rich. The violent retaliations of billionaires threatened by his investigation exceed anything Dunleavy has ever seen. With the entire nation's eyes on him in a new Trial of the Century, Dunleavy orchestrates a series of revelations that lead to a stunning outcome--and the truth is wilder than anything he ever imagined.
