highly accessible overview of a variety of chronic pain syndromes. Its practical format is aimed to bring busy health professionals - most of whom are well aware that they have experienced little or no pain management education or training - up to speed with the latest information on chronic and cancer pain. With health services around the world responding to calls to improve the management of painful long-term conditions, develop preventive and cost-effective solutions, and respond to patient choice and voice, this easy-to-read fact-packed book is a timely resource that provides a concise introduction

# Online Library By Michael J Cousins Fast Facts Chronic And Cancer Pain 2nd Second Edition Paperback

to the complex and extensive field of chronic pain. It is essential reading for all GPs, nurses, junior hospital doctors, physical therapists, clinical psychologists, occupational therapists, pharmacists, medical specialists and medical students wanting - and needing - to know more.

Award winning Australian biography endorsed by PainAustralia. In 1964 a junior doctor saw two critically burned boys run into a Sydney hospital begging for help. He saved their lives but struggled to reduce their suffering because few pain treatments existed. That

# Online Library By Michael J Cousins Fast Facts Chronic And Cancer Pain 2nd Second Edition Paperback

Dr Cousins dedicated his life to reducing suffering by improving the treatment of pain. In a career that spanned 50 years, Dr Michael Cousins led the pain world, and crusaded tirelessly for access to pain management to be viewed as a universal human right. He developed new treatments such as epidural analgesia and closed-loop spinal stimulation that revolutionised pain management.

All health professionals, regardless of specialty, will care for patients with pain that has persisted for more than 6 months. This fully updated fourth edition of 'Fast

# Online Library By Michael J Cousins Fast Facts Chronic And Cancer Pain 2nd Second Edition Paperback

# Online Library By Michael J Cousins Fast Facts Chronic And Cancer Pain 2nd Second Edition Paperback

This comprehensive, authoritative text presents the scientific foundations and clinical practice of neural blockade in both regional anesthesia and the management of pain. The descriptions and illustrations of pain mechanisms are considered classic examples. The Fourth Edition has been refined for clarity and flows logically from principles and pharmacology, to techniques for each anatomic region, to applications. This edition has two new co-editors and several new chapters on topics including neurologic complications, neural blockade for

# Online Library By Michael J Cousins Fast Facts Chronic And Cancer Pain 2nd Second

surgery, treatment of pain in older people, and complications in pain medicine. A companion Website will offer the fully searchable text and an image bank.

Medical handbook.

Tells of how engaging to the fullest a patient's own capabilities for overcoming illness resulted in a recovery from a crippling and supposedly irreversible disease.

# Online Library By Michael J Cousins Fast Facts Chronic And Cancer Pain 2nd Second Edition Paperback

This unique text details the use of regional anesthesia for the management of all aspects of pain. It demonstrates the various blocks used, with lavish and classic illustrations to illuminate the text describing each procedure. It also covers the latest aspects of pain management, with recent advances and breakthroughs reported and discussed as to their relative usefulness and efficacy in clinical practice. Classic contributions are balanced with reports of new technologic and research developments, providing the best overview of regional anesthesia and pain
