Press). It is a necessary tool for the church musician to coordinate music with the scripture readings and/or the sermon topic and a valuable aid to the vocal soloist seeking a work using a particular biblical text. The work serves as a working document for the church musician, soloist, or voice teacher. Titles are arranged in the same order as found in the Bible. Each entry contains title, composer, voice range/type, and publisher information. Two indexes are also included: a title index and a composer index.

A complete pedagogical method for students of trumpet and cornet, this "brass bible" contains hundreds of exercises from basics to advanced. Includes the author's famous arrangement of Carnival in Venice.

Filled with concise and detailed definitions, A Dictionary for the Modern Trumpet Player includes biographies of prominent performers, teachers, instrument makers, and composers of trumpet solo and ensemble literature often omitted from other musical references.

Guide to the Euphonium Repertoire is the most definitive publication on the status of the euphonium in the history of this often misunderstood and frequently under-appreciated instrument. This volume documents the rich history, the wealth of repertoire, and the incredible discography of the euphonium. Music educators, composers/arrangers, instrument historians, performers on other instruments, and students of the euphonium (baritone horn, tenor tuba, etc.) will find the exhaustive research evident in this volume's pages to be compelling and comprehensive. Contributors are Lloyd Bone, Brian L. Bowman, Neal Corwell, Adam Frey, Marc Dickman, Bryce Edwards, Seth D. Fletcher, Carroll Gotcher, Atticus Hensley, Lisa M. Hocking, Sharon Huff, Kenneth R.

Cook's TEACHING PERCUSSION, which includes over seven hours of video footage, continues to set the standard in percussion instrument methods texts. Providing a comprehensive introduction to every aspect of percussion education, technique and performance, this enhanced third edition develops students' musical understanding and performance skills. The author's consistent and detailed philosophy introduces students to a refined teaching methodology--and gives them greater insight into the learning process by integrating contemporary concepts about experiential awareness learning. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This book introduces music education majors to basic instrumental pedagogy for the instruments and ensembles most commonly found in the elementary and secondary curricula. This text focuses on the core competencies required for teacher certification in instrumental music. The first section of the book focuses on essential issues for a successful instrumental program: objectives, assessment and evaluation, motivation, administrative tasks, and recruiting and scheduling (including block scheduling). The second section devotes a chapter to each wind instrument plus percussion and strings, and includes troubleshooting checklists for each instrument. The third section focuses on rehearsal techniques from the first day through high school.
