Do you have a problem with your credit? Have you been turned down for loans or jobs because of this situation? Is this all due to an error that could have easily been reversed? Stop waiting and take control! This Book is all about how to repair your credit, and it's easier than you think. Many times when people think of credit repair, they think it is an impossible task to do. This is not true at all. One important thing to mention is that if you are trying to obtain a loan from a bank, the banks will want your credit score as high as possible to qualify for the desired loan. What you need to do is take steps to raise your credit score. Also, with any credit card accounts, if you can afford to do so, pay the entire balance due each month rather than taking a cash advance or just paying the minimum monthly payments. This does not mean going out and applying for every credit card you see in magazines, ads, or online. Instead, borrow the money from a family member or friend. If you have already gotten a credit card, try to pay the entire balance off each month This book covers: - Basics of credit repair - Secret Steps to repair credit - Strategies to improve your credit score - Credit Rescoring - How to remove your debt And Much More! No matter what your reason is, credit repair can help you with your financial problems. If you didn't commit any crimes to lose your job, credit score, or home, you should take credit repair seriously. At Credit Repair Canada, we can help. Reviews for credit repair services are mixed. While some consumers report success, others say their credit was ruined by companies that promised to have them refinanced within a few months but failed to deliver. There are many misconceptions about credit scores out there. There are customers who believe that they don't have a credit score and many customers who think that their credit scores just don't really matter. These sorts of misconceptions can hurt your chances at some jobs, at good interest rates, and even your chances of getting some apartments. The truth is, if you have a bank account and bills, then you have a credit score, and your credit score matters more than you might think. Your credit score may be called many things, including a credit risk rating, a FICO score, a credit rating, a FICO rating, or a credit risk score. All these terms refer to the same thing: the three-digit number that lets lenders get an idea of how likely you are to repay your bills. Every time you apply for credit, apply for a job that requires you to handle money, or even apply for some more exclusive types of apartment living, your credit score is checked. In fact, your credit score can be checked by anyone with a legitimate business need to do so. Your credit score is based on your past financial responsibilities and past payments and credit, and it provides potential lenders with a quick snapshot of your current financial state and past repayment habits. In other words, your credit score lets lenders know quickly how much of a credit risk you are. Based on this credit score, lenders decide whether to trust you financially - and give you better rates when you apply for a loan. Apartment managers can use your credit score to decide whether you can be trusted to pay your rent on time. Employers can use your credit score to decide whether you can be trusted in a high-responsibility job that requires you to handle money. The problem with credit scores is that there is quite a bit of misinformation circulated about, especially through some less than scrupulous companies who claim they can help you with your credit report and credit score - for a cost, of course. From advertisements and suspect claims, customers sometimes come away with the idea that in order to boost their credit score, they have to pay money to a company or leave credit repair in the hands of so-
