Dragon Magick VS Draconian MagickDraconian Measures Gaven 3 Jc

Draconian Measures is the third book in the Gaven series (I assume the last too) but is actually a prequel to the other two books. It can be read easily as a stand alone or in any combination with the two Gavin books. It tells the story of Vlar's parents –really Vlar's father and his partner- and their oft mentioned difficult courtship.

Dragon Magick VS Draconian Magick

Gaven grew up a bastard without a father...until the day his noble-born sire came to claim him, destroying his home and killing everyone around him. But Gaven's suffering has only just begun. Because his father has given him to a legendary warrior named Vlar to train him, both in battle and in bed. Both are terrifying to Gaven, as the worlds of warfare and of men loving men seem equally alien to him. Vlar, one of the infamous Finnarian race known for drinking blood, is as ruthless and powerful as he is unforgettable. Now Gaven faces a future without hope, his former life lost, given to be bonded to a frightening stranger... Vlar is a being of legend. He is powerful and utterly without mercy. Gaven has no choice but to submit to him. But when the chance comes to flee, Gaven takes it. Only Vlar is not a man who ever gives up what is his. There is a hidden side to Vlar, the opposite of the merciless warrior so deadly with a blade. This Vlar is surprisingly caring to Gaven, training him for bonding...and that care upends everything Gaven thought he knew of the warrior. Gaven's old life has been destroyed, but Vlar may just make him a mate...if only he can survive until then. Reader note: Previously released. Reader discretion strongly advised: contains intense emotional elements and male male love

The triad will become legend again—or fall into darkness forever. Emperor Taldan Anrodnes faces his darkest days. Assassins from the War Guild nearly killed him, leaving his brother wounded. War has begun, shattering the peace of the empire and threatening everything Taldan has worked so hard to create. First Emperor Sladeran's influence through the Illumitae is growing within him. Taldan struggles to keep Sladeran's jealousy and madness under control and stay true to himself...and to his Chosen. When an oracle from the War Guild arrives at the capital city, the stakes finally become clear. The assassins are tampering with powerful forces—the crystals that forged the Illumitae—and now threaten not only the empire but the entire realm. Raine's heart breaks as Taldan's struggle to save the empire and control the Illumitae tears him apart and drives wedges between the three of them. He fears his meager talents are not enough to truly help Taldan, the man he desperately loves. Raine must find a way to keep the triad bound together against all odds. Only by keeping their hearts together can they hope to stand against the War Guild and the corruption of the crystals. Hreedeen had no choice when he was made a Chosen and brought into the triad, but he loves Taldan, and Raine is as dear as a brother to him. Yet, he chafes against Taldan's growing possessiveness, fearing the madness of Sladeran is growing stronger inside his beloved. But there are secrets in Hreedeen's blood, and that blood will play a role in the future of the empire. The three of them must throw aside tradition and become something the empire has not seen since its earliest days—a true triad powerful enough to bring salvation...or destruction. The final book of the Anrodnes Chronicles!

Secrets. Rebellion. Two men drawn together by a bond that may change the land forever... Captain Andon Grazon, the poor son of a prostitute, shares a rare bond with Ceris, the only wild-born griffon in the land to bond with a human. He and Ceris are part of the flight corp at Farfall, where he is treated like an outsider and abused by the noble-born riders at the base. When his only friend is killed on patrol, the loss has Andon spiraling down into darkness. The misery of his life leaves him cold and withdrawn, unable to interact with others, and isolated from everyone except Ceris. But after Captain Daren Phalnir and his wing of riders arrive to replace Farfall's lost griffon wing, the powerful and charismatic man brings complications Andon does not need. He doesn't trust the man, no matter how respectful he might seem. Andon has many secrets, and the closer Daren comes to them, the greater the danger to Andon...and to his heart. After Captain Daren Phalnir arrives at Farfall with Gretnel, his grif, he remains wary. The border base's reputation is anything but pleasant—a place where griffons are considered mere property of the throne, little more than animals. Then he meets a legend: Ceris, the only wilds born griffon to imprint on a man, and her rider, Andon Grazon. Andon is a compelling mystery, keeping Daren at arm's length, remaining hostile, aggressive, and very, very alone. At least until Ceris and Gretnel mate...and discover they may share a true bond, the rarest in existence. Andon's isolation stirs Daren's curiosity and his compassion. He begins to uncover a dark secret, with Andon and Ceris at the center—a secret that may just reach all the way to the throne... Reader note: contains intense emotional elements. Reader Discretion Advised

Exiled by his former lover, Peyton finds himself leading soldiers who resent him for his relationship to the new king—the king who has now turned his back on him. Peyton's future looks dark after Peyton and his men travel across the gate to a new world to aid in a war against invading demons. Then Peyton meets the Eight, elite warriors who keep their skills sharp by killing demons. He's immediately fascinated with Ice, one of the Eight's most talented and enigmatic warriors. Ice's lack of inhibitions or shame in loving other men turns Peyton's concepts of love on end. His feelings toward Ice soon force Peyton to confront who he truly is beneath the layers of submission he'd shown the king who abandoned Peyton to this dangerous world. He can only pray the new passion he shares with Ice will redeem him instead of shattering his forever. He cannot take having his heart broken again... Ice was not one to commit to a single lover. He had marked a path through the army with a trail of discarded lovers behind him. No one had ever left a mark upon his heart. But Peyton, the standoffish and proud new commander, proves a challenge Ice cannot resist. And one passionate dalliance was definitely not enough for Ice, who found himself drawn to Peyton again and again. They make the oddest couple: Ice, who has never taken love seriously or given his heart, and Peyton, who had given his very soul to his prince, certain their love was forever...until he was cast aside and sent to a new world to die in the war against the demons. But the demon war is racing toward its end, win or lose. In the final battle, Ice could wind up one of the many casualties no matter how desperate Peyton might be to save him...

A soldier enslaved by the emperor who conquered him, with only one hope to save the man from madness... Jaden, a soldier sold into slavery when his country fell, survives day to day, his only wish to find his little sister and save her from the same fate. The war might be over, but the scars of those who underwent Tranaden's conquest still linger. But when he is given as tribute to the very man who conquered his country—Dersai, known as the Wolf, an emperor feared and loathed beyond Tranaden's borders—Jaden sees his last hope fading away. It is whispered that the emperor is mad, possessed, without the faintest shred of mercy. Yet, Jaden finds that the man is someone quite different among his own people, in the safety of his own world. Old hatreds die hard, but Jaden finds himself fascinated by the complex, mysterious man beneath the warrior shell. There is a darkness in Dersai, but also a chance to set things right at last. Dersai cannot afford the luxury of mercy in any form. His country, his people come first, and he will do anything to defend his borders and drive back those who seek to possess the lush beauty of Tranaden. His ancestor made a pact with a demon, and ever since, each emperor must endure the possession of the demon bound to protect Tranaden at any cost. As with those before him, Dersai will eventually fall into madness, his own people forced to annihilate him, and the next emperor forced to bear the burden again. He'd never held any hope...until he met Jaden and began to believe the old prophecies might finally come true. That a mate for the wolf would come and break the cycle forever... Reader note: Expanded with new material! Contains intense emotional elements. Reader discretion advised.

Dragon Magick VS Draconian Magick

The despised white centaur may be the key to Varan's heart... Born into hatred, his odd white coat a source of disgust to his centaur tribe, Tarsus is well used to mockery and contempt. But when he's kidnapped from his high-blood family by a rival faction, he realizes his torment has only begun. Beaten and sentenced to death, he's brought before the princess Nalain, heir to the centauran throne. But rather than order his execution, Nalain gives him to her brother, the general Varan, as a servant, a plaything to amuse him before the hideous white centaur's eventual, inescapable death. The huge centauran Varan is disgusted with his new servant, yet he soon begins to see the gentle soul that lies beneath the filthy, matted white hide. Even as a captive, the young centaur strives to be of service to all around him, even to those who show him nothing but contempt. Odd, given his bloodline—son to the feared and powerful Shar, whose evil has caused so much suffering for the centaurs of Varan's tribe. It's not long before Varan finds himself drawn to Tarsus in ways he never dreamed possible, and the passion that stirs between them becomes something that neither can live without. Until war comes to the centaurs, and with it rumors that Tarsus might not be the guileless servant he seems, and how everything Varan has ever known—his clan, his home, his love for Tarsus—is doomed... Keywords: centaur, gay fantasy romance, m/m romance, fantasy romance, minotaur, mythology, enemies to lovers

A looming war. A pirate's revenge. A young noble caught in the middle... Dradin Sharlain is the youngest son of the most feared family in Malseenia. Scorned by his father and tormented by Vax, his sadistic brother, Dradin is seen as weak and vulnerable, despite his talents in diplomacy. When his carriage breaks down in a remote area known to harbor pirates, he soon falls prey to Captain Rastay, the merciless commander of the pirate ship Siren. Captain Rastay kidnaps him, intending to ransom Dradin for the crewmen Vax is holding captive. Trapped on the high seas, Dradin learns the pirate captain is everything he is not—powerful, fearless, and experienced in the ways of the world. But soon Dradin must make a bargain that may cost him his freedom and his innocence. Only he's no longer certain Rastay is as evil as the rumors claim... Captain Rastay is desperate to rescue his men from the brutality of Vax Sharlain. So when the chance arises to capture the youngest of the family, he quickly takes the innocent young noble hostage. Rastay is driven by a wildness that shadows him, a craving for action, for revenge, and a growing desire for Dradin. After betrayals and subterfuge, both men are launched on a course toward a perilous battle on the high seas. Yet neither war nor treachery will stop Rastay from getting what he wants. But does he still want revenge...or does he want the hauntingly beautiful Dradin Sharlain in his arms? Reader note: contains intense emotional elements Keywords: pirates, enemies to lovers, gay fantasy romance, lgbt fantasy romance, m/m romance

“One of the most profound and illuminating studies of this century to have been published in recent decades.”—John Gray, New York Times Book Review Hailed as “a magisterial critique of top-down social planning” by the New York Times, this essential work analyzes disasters from Russia to Tanzania to uncover why states so often fail—sometimes catastrophically—in grand efforts to engineer their society or their environment, and uncovers the conditions common to all such planning disasters. “Beautifully written, this book calls into sharp relief the nature of the world we now inhabit.”—New Yorker “A tour de force.”—Charles Tilly, Columbia University

Once a proud warrior, now a demon's whore. Brenaiith had once been a warrior of renown, companion to the King of Artepia. Now he suffered in captivity as a demon's whore, his country overrun by a race his people had not believed existed. Driven to the edge of madness by his tortures, the final blow comes when his master, a demon lord, gifts him as a blood servant to a Shadow Knight, Shaynith-una, a monster of legend that destroys even souls. Brenaiith does not expect to survive the bonding by Shaynith-una, who is rumored to hold divine blood and is held in awe by other demons. But with time he begins to see Shaynith-una as more than the monster he is reputed to be. The knight is a demi-god. Half demon god, half elf, the son of rape and darkness, mind taken and molded by his demonic deity father. And Brenaiith's fate and hope are both bound to Shaynith-una for good or for ill. Can Brenaiith break Shaynith-una's conditioning and discover what and who really lies behind the knight's facade...or will darkness always rule? Reader discretion advised: contains intense emotional elements, captivity themes, and male/male love Keywords: gay fantasy romance, fantasy romance, demons, enemies to lovers, m/m romance
