Adherence to the latest AICTE model syllabus.

"Professional Communication" presents ten studies of communication practices in a variety of professional contexts. By drawing on diverse methodologies from fields such as conversation analysis, intercultural communication, and organizational studies, the essays here examine how language is constructed, managed, and consumed in various professional situations, ranging from academic settings to business negotiations. One important theme of the book is its emphasis on the collaboration between researchers and professionals. The contributors strongly believe that such collaborative partnership will provide direct implications for

improving workplace communication and enhance better understanding of the construction of professional identity and organizational behaviour. This book will appeal to not only scholars and researchers in discourse analysis, intercultural communication and professional studies, but also practitioners in the related fields and disciplines.

THE BOOK This is an excellent handbook as well as a guide for learning, practising, improving and developing the skills necessary for English pronunciation. Divided into two Parts, the book in Part I—Sound System in English—explains how to pronounce vowel and consonant sounds correctly so that there is least confusion in the listener ' s mind. Part II—Accent Patterns in English—describes word and sentence stress and suggests the most common and

important tips for proper and correct pronunciation. The lessons provided in this book are simple and easy to practise and can serve as an instructional manual and ideal practice material in the language laboratories. KEY FEATURES Gives well-planned lessons to practise IPA sounds. Provides a large number of lessons for practice. Contains an audio CD which will help the students practise pronouncing the words correctly. This accessible and highly practical book is intended for the undergraduate students of different streams. It can also be of considerable help to plus two level students to improve and develop their pronunciation. Besides, professionals working in different fields should find this book extremely useful in their real-world scenario. An Expert Comment: We Indians have our own problem of speaking English with the influence of our mother tongue. Can this be changed? I think not!
