This book explains the basics of estate planning concisely and clearly. It's the core of estate planning, made interesting! No fluff, just they the key information about wills, trusts, planning for retirement, health care directives, estate taxes, and more.

Planning your estate is a long, complicated process that requires much time and effort. The process of organizing your records for estate planning is equally time consuming and complex. Hiring an attorney to assist you may cost more than you are willing to spend. With the help of The Complete Guide to Organizing Your Records for Estate Planning, you can not only take charge of your estate planning documentation, but also save time, money, and effort. In this new book, you will learn how to find an organizational system that works for you, where to look for records, what to record, who to tell, where to keep records, and how often to update your records. You will also find information on creating a will or a living will, setting up a trust, assigning power of attorney, and filling out health care directives. Additionally, you will learn about the documents that should be included in your estate plan, such as insurance policies, Social Security cards, birth certificates of minor children, stock brokerage statements, credit card numbers and statements, certificates of deposit, real estate deeds, mortgage statements, retirement account savings, non-retirement account savings, and current bank statements. The CD-ROM is filled with sample documents and worksheets, as well as a checklist of often overlooked information, including any medications you take, where you worked, where your savings and checking accounts are located, where your car title is located, what your funeral plans or wishes are, and who should receive what. The Complete Guide to Organizing Your Records for Estate Planning will help you prepare your documents and record your final instructions and wishes. By using the information provided in this book you will save money you might otherwise have spent on legal and accounting fees. In addition, you will save your family the frustration of searching for these documents if something should ever happen to you. This book, written in an easy-to-understand language, will walk you through the process of organizing your records and make the process much easier for you and your family. The companion CD-ROM is included with the print version of this book; however is not available for download with the electronic version. It may be obtained separately by contacting Atlantic Publishing Group at sales@atlantic-pub.com Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. Nothing in life is certain except uncertainty, so the best course of action is to take some prudent steps to minimize the potential damage to your life in case a natural disaster, sudden illness, or other unforeseen emergency might occur. In "The Big List," author and attorney Bernard Max Resnick, Esq., provides a detailed questionnaire to help you provide key information to a trusted family member or a close friend, so they can easily provide assistance during an urgent time. Designed to supplement other estate planning documents, this essential resource helps you prepare for the future by providing your loved ones with vital confidential material required to help you achieve a full and speedy recovery from an unexpected disaster. With detailed questions about your assets, liabilities, and much more, Resnick provides a quick and easy way to catalog all of your most important details to better empower a trustworthy relative or confidant should a catastrophic need ever arise. For the young and old alike, this powerful tool enables you to plan things in advance so you can more easily navigate troubling and unexpected bumps on the road of life. Use it yourself or give it to a loved one, so you will be prepared to help them in their time of need.

Preparing Heirs discloses the surprising findings from the authors' research into the legacies of 3,250 wealthy families. With extraordinary insight, they reveal what the relatively small number of successful families had in common-how they achieved and maintained family harmony, and ensured the smooth transition of their wealth to well-adjusted heirs. They also warn of the wide range of factors that cause the majority of wealthy families to fail in their transition. Preparing Heirs offers clear, concise, well-organized, and easy-to-follow instructions that will enable you to evaluate your plan for transitioning family wealth. Preparing Heirs is an assessment tool that can be used in conjunction with the services of qualified professionals such as attorneys and accountants. It addresses the major causes for the 70% failure rate in estate transitions, which lie within the family itself and are within the family's control. This book can help you develop a plan to transmit the family values underlying the accumulation of wealth and prepare your heirs to be good stewards and thoughtful administrators of that wealth.

The text of not dead yet is as detailed as it needsto be and as concise as it can be. In order to minimize the boredom factor inherent in any book ever written on estate planning, the 24 chapters are interwovenwith a graphic novel story featuring a hero, estate planning nightmares, a disruption of the time-spacecontinuum, the hero's estate planning epiphany and a happily-ever-after ending.
