Dancefilm: Choreography and the Moving Image examines the choreographic in cinema - the way choreographic elements inform cinematic operations in dancefilm. It traces the history of the form from some of its earliest manifestations in the silent

Download Free Film Cographers And Dance

Directors through the historic avant-garde, musicals and music videos to contemporary experimental short dancefilms. In so doing it also examines some of the most significant collaborations between dancers, choreographers, and filmmakers. The book also sets out to examine and rethink the

Download Free Film Cographers And Dance

Directors of dancefilm and thereby re-conceive the relations between dance and cinema. Dancefilm is understood as a modality that challenges familiar models of cinematic motion through its relation to the body, movement and time, instigating new categories of filmic performance and creating spectatorial experiences that are

Download Free Film Cographers And Dance

Directors grounded in the somatic. Drawing on debates in both film theory (in particular ideas of gesture, the close up, and affect) and dance theory (concepts such as radical phrasing, the gestural anacrusis and somatic intelligence) and bringing these two fields into dialogue, the book argues that the combination of dance and film

Download Free Film Cographers And Dance

Directors produces cine-choreographic practices that are specific to the dancefilm form. The book thus presents new models of cinematic movement that are both historically informed and thoroughly interdisciplinary.

The first comprehensive book on
