The global village, however, is not the blissful utopia that McLuhan predicted. Nor, in a more modern formulation, is the world flat, with playing fields leveled and opportunities for all. Instead, Lule

Online Library

Globalization And Media

argues, globalization and media are combining to create a divided world of gated communities and ghettos, borders and boundaries, suffering and surfeit, beauty and decay, surveillance and violence.

Indeed, Jack Lule convincingly shows that globalization could not have occurred without media.

From earliest times, humans have used media to explore, settle, and globalize their world. In our day,
