## ~~Volkswagen Golf 3 Variant 1.9 TDI 90 Technical Specs ...~~

A 16-valve version of the third-generation Golf GTI was introduced in 1993. The engine was enlarged to 2.0 L, with power now reaching 150 PS (110 kW/148 hp). While less powered than the VR6, it was still relatively popular with driving enthusiasts in Europe, because it offered similar power without the thirst or tax burden of a 6 cylinder.

~~Vw golf tdi engine - Gumtree~~

A VW Golf 1.4 engine will cost less than a Mk4 Golf 1.8t engine.

Though they might be the same age, the 1.8t has a larger capacity and is turbocharged. A 'standard' performance engine, such as a PD150 engine, will always cost less than high-performance versions. The Golf R engine and the R32 engines are other high-performance engines.
