But one chapter, "Ethical Foundations for Health

File Type PDF Health Care Reform Ethics And Politics

Reform," resonated with me, as I imagine it would with others across our diverse political spectrum. It asks, then answers in 14 briefly defined concepts, the essential question: What values and principles should shape our health system?

What are the ethics of health care reform?

Chapter Two Ethics, Justice, and Health Reform. The issue of health care reform in the United States is commonly framed as an economic, political, or technical policy issue. It is less often characterized as an ethical or moral issue that necessarily touches upon the basic values of the average American.

Health Care Ethics | Internet Encyclopedia of
Philosophy

Four fundamental goals have shaped our system. First, we want high quality health care that can provide the greatest benefits. Second, we want freedom of choice so that we can decide the “who, when, and where” for our health care. Third, we expect our health care to be affordable so that we have resources for all of the other things we need or want.
