Care planning, involvement and person-centred care. This section explores two key themes that are central to care planning within the MCA framework: involvement, and keeping the wishes of the person at the centre of their care and support. It emphasises that building relationships and good communication are critical to meaningful involvement.

You should be treated as an individual, and your care and support should be based on what you can already do, what you want to achieve and the help you need. People's experience in adult social care services remains the highest of priorities, and what matters most is supporting a life and not just providing a service.
