Reiki practice is one of the perfect tools that can help us achieve and maintain a clear chakra system. The more we heal ourselves with Reiki, the more we open up to developing our intuition in a healthy, whole and balanced manner. We cannot become intuitive through a forceful attempt to open the third eye. It has to unfold naturally. Be regular with Reiki practice and trust Reiki to show you the path.

psychotherapy practices because it relaxes, relieves stress, reduces and eliminates pain, accelerates healing, and helps support the gentle restoration of the body's natural balance. It is a unique healing art in that it can be learned by anyone, with no special knowledge of anatomy needed. The Complete Book of Traditional Reiki takes the reader step by step through a traditional Reiki level I class. It discusses Reiki's origins and purpose, describes the attunement process by which a student is imbued with the power to channel life-force energy, and gives complete instructions for the basic and advanced healing hand positions. The first book to serve as a teaching manual, an extensive reference work for students, and compelling reading for those considering taking a Reiki class, this updated edition includes new information on the history of Reiki and the Reiki principles and features never-before-published photographs and a translation of the Usui Memorial in Japan, a tribute to the founder of Usui Reiki.

How the principles of Reiki can be used not just for healing but also for spiritual growth • Explores how to practice the Reiki values of peace, serenity, gratitude, integrity, and kindness in everyday life, despite the challenges of constant change and frequent crises • Provides tools for spiritual growth for practitioners of all levels and lineages • Includes exercises and meditations to deepen the practice of Reiki using the five Reiki precepts: do not anger; do not worry; be grateful; do an honest day's work; be kind Reiki practitioners and teachers recognize Reiki as a gentle and powerful healing method. The path to becoming a Reiki practitioner,

however, is more than just a commitment to energy healing. It is also a commitment to personal growth. In *Reiki for the Heart and Soul*, Amy Rowland details how reflection on the five core Reiki principles presented in both the Western and Japanese traditions--do not anger; do not worry; be grateful; do an honest day's work; be kind--can be used by practitioners of all levels and lineages as powerful tools for personal and spiritual growth. Living the five core principles reinforces Reiki's subtle energy healing: it heals wounded self-esteem and builds healthy self-respect; it demonstrates the creative power of a positive attitude; and it presents a way to peace. Rowland discusses various translations of the Reiki principles, demonstrating how to integrate their practical value through stories and interviews. She also offers specific techniques and exercises for healing anger and fear as well as living with gratitude, integrity, and compassion. These techniques will help maturing practitioners discover a healthy, happy way of being in the world and to see the way forward on their spiritual path with a sense of clear guidance and grace.

Reiki has already swept through the world and become globally known. It seems that everyone is, or at least knows, a Reiki practitioner. What people did not expect is that Reiki is quite real. It is a distinct and powerful frequency of energy that heals the person proving Reiki just as much as the one who receives Reiki. The reality is that these changes are inevitable, expansive, positive, transformational . . . and sometimes extremely scary. This book is designed for all Reiki practitioners

at all levels. Reiki and Your Intuition: A Union of Healing and Wisdom prepares, explains, and assures the practitioner that, because of Reiki, positive changes are happening and will continue to happen in their personal lives. This book will guide the practitioner through their own personal healing challenges, while at the same time, providing guidance through their startling, unforeseen intuitive skills exploding into other realms of consciousness. Zion brings her history of teaching Reiki with her current specialty of teaching medical intuition to provide a step-by-step guide and personal workbook for the Reiki practitioner to excel as a natural healer. Included in the book are very personal stories from Reiki practitioners and at the same time asks each reader to be much more aware of their own story as an intuitive Reiki provider. Each reader will learn:

- To be a clear vessel for intuitive Reiki;
- Precise steps for accurate intuitive assessments;
- Each person's personal intuitive relationship with the symbols;
- Step-by-step distant healing;
- Intuitive attunements;
- The depth of each person's own personal story.

From master Reiki teacher Lisa Champion comes The Art of Psychic Reiki, a one-of-a-kind, step-by-step guide for learning the sacred art of Reiki while cultivating the psychic and intuitive skills crucial to this healing energy work. Reiki is a gentle yet powerful, hands-on energy healing method from Japan that's been gaining in popularity over the last century—not only with bodyworkers and massage therapists in the West but also with medical professionals who can attest to its healing power. Born from the author's decades of experience with Reiki healing

and her own methods, *The Art of Psychic Reiki* provides everything you need to know about this healing art, including the critical psychic development and empathy training that prepares healers to go out and do the work they were meant to do. If you're drawn to the healing art of Reiki, you might be a highly sensitive person, with high levels of empathy, intuition, and latent psychic abilities (a combination of intuition and inner knowing, plus the ability to connect with higher wisdom). And since Reiki is a form of energy healing, many new practitioners may experience what's called a psychic opening as they learn or practice. For this reason, it's important that every Reiki practitioner master the ability to navigate their empathic and psychic sensitivities while engaged in this work—and this book can help. Whether you're new to Reiki or you're a practitioner seeking to deepen your knowledge and enhance your skills, with this guide you'll learn how to use Reiki to heal yourself and others, cultivate and trust your natural intuition, develop your empathic and psychic abilities, work with your spirit guides, and ground and protect yourself as a practitioner of this sacred healing art.

Even doctors and the most sophisticated tests can't always find the source of a health issue, but there is one authority that always knows—your own body. your health at a deeper level. Offering a compendium of illuminating case studies and practical self-care techniques, Marie invites you to learn more about: The chakra system-how to access and activate seven energy centers that hold the key to our wholeness and intuitive gifts A chakra-by-chakra examination of specific health and emotional issues, with easy self-assessment quizzes Energetic preventative care-detecting and addressing potential health problems before they physically manifest Hands-on tools for accessing intuition, including one-minute exercises to ground and balance your energy-anywhere Your intuitive style-how to discover your unique strengths for reading and working with subtle energy Through her popular radio show and workshops, Marie Manuchehri has provided invaluable guidance for those seeking to take a more active role in their own well-being. "Everyone has the power to create a vital, fulfilling, and healthy life," teaches Manuchehri-and with Intuitive Self-Healing, she offers key insights for awakening your own life-changing gifts. "This engaging book is the result of one person's dedication to trusting her intuition and learning from careful observation of people in need. Each case example gives an 'inside scoop' about the ways an energy healer's perceptions can guide whole-person healing. Each personal exercise given is a valuable guide for activating the reader's intuition. I strongly recommend this fascinating guidebook!" —Dorothea Hover-Kramer, EdD, RN, DCEP Excerpt Intuitive Healing isn't new. It's been around for centuries, but we have forgotten what it means to listen to our own body's messages. Instead, we have given our healing power away by not paying attention to our feelings and centered

thoughts when we feel ill or are diagnosed with a disease. Intuition by definition is about knowing. Intuitive healing begins with discovering the vital energy within. There is nothing unusual about it. We all possess it. Each of us is our own best healer. Coming to know this intelligence within manifests itself in many different ways. Some people view images in their mind, hear words, or feel sensations. Others pick up insights during their daily life which seem to come from others—from radio, television, or billboard advertisements. Wherever our insights arise from, we all possess the aptitude to recognize them and discover what is in our best interest. Even if you have tried many times to perceive your internal messages, but feel that you possess no skill to do so—trust me you do. After working with thousands of clients, I've learned that everyone has the capacity to receive, interpret, and successfully use their senses. You have this ability because we are genuinely powerful. You might be unaware of your great fortune, but nevertheless you are powerful.
