THE KINGMAKER is the epic and powerful first installment in the All The King's Men Duet by USA Today bestselling and RITA® Award winning author, Kennedy Ryan. Power. Passion. Betrayal. Raised to rule, bred to lead and weaned on a diet of ruthless ambition. In a world of haves and have nots, my family has it all, and I want nothing to do with it. My path takes me far from home and paints me as the black sheep. At odds with my father, I'm determined to build my own empire. I have rules, but Lennix Hunter is the exception to every one of them. From the moment we meet, something sparks between us. But my family stole from hers and my father is the man she hates most. I lied to have her, and will do anything to keep her. Though she tries to hate me, too, the inexorable pull between us will not be denied. And neither will I.

From Wall Street Journal, USA Today Bestselling and RITA® Award-winning Author Kennedy Ryan, comes a captivating second chance romance like only she can deliver... The boy who always felt like mine is now the man I can't have... Dig a little and you'll find photos of me in the bathtub with Ezra Stern. Get your mind out of the gutter. We were six months old. Pry and one of us might confess we saved our first kiss for each other. The most clumsy, wet, sloppy . . . spectacular thirty seconds of my adolescence. Get into our business and you'll see two families, closer than blood, torn apart in an instant. Twenty years later, my "awkward duckling" best friend from childhood, the boy no one noticed, is a man no one can ignore. Finer. Fiercer. Smarter. Taken. Tell me it's wrong. Tell me the boy who always felt like mine is now the man I can't have. When we find each other again, everything stands in our way--secrets, lies, promises. But we didn't come this far to give up now. And I know just the move to make if I want to make him mine.

Acclaimed Inda series within Sherwood Smith's epic fantasy Sartorias-deles universe • Military fantasy woven with courtly politics, vast worldbuilding, and diverse characters Indevan-Dal is the second son of the Prince and Princess of Choraed Elgaer, destined to become his elder brother Tanrid's Shield Arm—his military champion. Like all second sons, he is to be privately trained at home by Tanrid, the brother whose lands he will one day protect. When the King's Voice comes to summon Inda to the Military Academy, he might well feel foreboding, or even fear—war is imminent—yet youthful Inda feels only excitement. But there are things that Tanrid hasn't prepared him for, and Inda will soon learn that the greatest threats to his safety will not come from foreign enemies, but from supposed allies within his own country.

my blood and surrender is never an option. Though surrender is what Maxim Cade demanded of my body and heart, I had other plans. We were fast-burning fascination and combustible chemistry, but the man I trusted with everything was a trickster. A thief who stole my love. If what we had was a lie, why did it feel so real? The man I swore to hate will have it all, and wants me at his side. But power is a game, and we're the pawns and players. Facing insurmountable odds, will we win the world, or will we lose it all?

Would you fear death if you were Juliet and you met your Romeo? In exactly seven months, five days, and a few hours Snow White will be walking down the aisle on the arm of her father, Walter White - the front-runner for next president of the United States of America. Her fate - to be married to the rich and famous Dr. Barry Lawrence - has been sealed since the day she was born. Her future's all mapped out, but suddenly, during a trip to sunny Tennessee with her best friend Brenda, a man with golden hair turns her life upside down. He's the Leviathan, on every woman's lips, the nameless, rough, and lonesome cowboy whom they all desire. But he's the king of contradictions. He sleeps with a wild wolf on one side of the bed, and Shakespeare's Macbeth on the other. He's as wild and untamed as his black stallion, yet plays the violin like a professional and recites Shakespeare like the poet himself. Nothing will ever be the same for Snow after the Leviathan demands to see her every night... at midnight. Between unbridled instincts, wild passion, and difficult choices, she'll have to decide whether to surrender to her fate or write her own fairytale ending. This is the story of Snow White and her Leviathan.

New York Times bestselling author Meghan March did not set out to become the "Queen of Cliffhangers" when she began writing romance, but her readers awarded her the title when she released one jaw-dropping cliffhanger after another. Deal with the Devil: A ruthless, modern-day pirate of a CEO, Jericho Forge prefers the deck of his ships to dry land—and he always plays to win, no matter the game.
