~~In this final installment of the thrilling, edgy Personal Demons series, the battle between Heaven and Hell has become critical, and Frannie Cavanaugh is right at the center of it. With the help of the powerful angel Gabe and demon-turned-mortal Luc, Frannie has been able to stay one step ahead of the forces of Hell. But when the demons killed Frannie's best friend and destroyed her brother, they raised the stakes. If Frannie wants to keep her family and friends safe, she knows she has no choice but to go on the run. Their best defense is the power Frannie has been struggling to master, but her attempts to hone her skill go horribly awry. If Frannie doesn't learn fast, the consequences could be devastating--even apocalyptic. What happens when you can't outrun Hell...or trust the ones you love? ~~Frannie Cavanaugh is a good Catholic girl with a bit of a wicked streak. She has spent years keeping everyone at a distance---even her closest friends---and it seems as if her senior year is going to be more of the same . . . until Luc Cain enrolls in her class. No one knows where he came from, but Frannie can't seem to stay away from him. What she doesn't know is that Luc is on a mission. He's been sent from Hell itself to claim Frannie's soul. It should be easy---all he has to do is get her to sin, and Luc is as tempting as they come. Frannie doesn't stand a chance. But he has to work fast, because if the infernals are after her, the celestials can't be far behind. And sure enough, it's not long before the angel Gabriel shows up, willing to do anything to keep Luc from getting what he came for. It isn't long before they find themselves fighting for more than just Frannie's soul. But if Luc fails, there will be Hell to pay . . . for all of them. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.~~

~~Luc Cain was born and raised in Hell, but he isn't feeling as demonic as usual lately--thanks to Frannie Cavanaugh and the unique power she never realized she had. But you can't desert Hell without consequences, and suddenly Frannie and Luc find themselves targeted by the same demons who used to be Luc's allies. Left with few options, Frannie and Luc accept the protection of Heaven and one of its most powerful angels, Gabe. Unfortunately, Luc isn't the only one affected by Frannie, and it isn't long before Gabe realizes that being around her is too...tempting. Rather than risk losing his wings, he leaves Frannie and Luc under the protection of her recently-acquired guardian angel. Which would be fine, but Gabe is barely out the door before an assortment of demons appears--and they're not leaving without dragging Luc back to Hell with them. Hell won't give up and Heaven won't give in. Frannie's guardian exercises all the power he has to keep them away, but the demons are willing to hurt anyone close to Frannie in order to get what they want. It will take everything she has and then some to stay out of Hell's grasp. And not everyone will get out of it alive. ~~Somerset Maugham Award winner: Dark early fiction by the author of Nutshell--"a splendid magician of fear" (Village Voice Literary Supplement). Taut, brooding, and densely atmospheric, the stories here show us how murder can arise out of boredom, perversity from adolescent curiosity--and how sheer evil can become the solution to unbearable loneliness. These short fiction pieces from the early career of the New York Times--bestselling and Man Booker Prize--winning author of Atonement and On Chesil Beach are claustrophobic tales of childhood, twisted psychology, and disjointed family life as terrifying as anything by Stephen King--and finely crafted with a lyricism and an intensity that compels us to confront our secret kinship with what repels us. "A powerful talent that is both weird and wonderful." --TheBoston Sunday Globe "Ian McEwan's fictional world combin[es] the bleak, dreamlike quality of de Chirico's city-scapes with the strange eroticism of canvases by Balthus. Menace lies crouched between the lines of his neat, angular prose, and weird, grisly things occur in his books with nearly casual aplomb." --The New York Times~~

~~Forget the dead; Lament for the Living. After the zombie apocalypse, the survivors have to decide how to rebuild their lives. Having watched society literally devour itself, those that are left struggle to continue along the path of humanity. In the three years since the Outbreak that caused society to devour itself, groups of survivors have struggled to rebuild their lives. While one group seeks to stay off the radar, another is sweeping across the country. However, even in the relative safety of The Sanctuary, not everything is as it seems. Follow the story of Sacks as she joins the ranks of the Rangers, only for her life to be turned upside for the second time.~~

~~The fourth book of the scream-worthy cult series The Merciless combines Stephen King-level terror with true crime stories like the Amanda Knox case. The ropes tighten on Berkley Hubbard's wrists. Blood drips down her fingers and lands with a smack on the cold floor of the church basement. She's trapped, bound, and petrified by fear. A knife punctures her fragile skin as Berkley's captors search for the mark of the devil on her body. They say they want to save her--drive the devil away and cleanse her soul--but will she make it out alive? When Berkley arrived in Italy a week ago, the last thing she expected was that she'd end up fighting for her life. After spending six months at the Institute, confined to a room with the dangerous-yet-alluring Sofia Flores, Berkley was certain that a vacation in Italy with her two best friends would be the perfect getaway. But Berkley is hiding a terrible secret, one that threatens to undo everything. As she's forced to face her wicked past, she learns that the devil is always watching, and no one is coming to save her.~~

~~Last Days (winner of the British Fantasy Award for Best Horror Novel of the Year) by Adam Nevill is a Blair Witch style novel in which a documentary film-maker undertakes the investigation of a dangerous cult--with creepy consequences When guerrilla documentary maker, Kyle Freeman, is asked to shoot a film on the notorious cult known as the Temple of the Last Days, it appears his prayers have been answered. The cult became a worldwide phenomenon in 1975 when there was a massacre including the death of its infamous leader, Sister Katherine. Kyle's brief is to explore the paranormal myths surrounding an organization that became a testament to paranoia, murderous rage, and occult rituals. The shoot's locations take him to the cult's first temple in London, an abandoned farm in France, and a derelict copper mine in the Arizonan desert where The Temple of the Last Days met its bloody end. But when he interviews those involved in the case, those who haven't broken silence in decades, a series of uncanny events plague the shoots. Troubling out-of-body experiences, nocturnal visitations, the sudden demise of their interviewees and the discovery of ghastly artifacts in their room make Kyle question what exactly it is the cult managed to awaken - and what is its interest in him?~~
