Trusting him is a whole other problem ... When the attacks ramp up and hit close to home, Lea and Max must learn, before it's too late, that true strength can come from

vulnerability ... and giving in to trust is sometimes the only way to make things right.

Bowler is a professor at Duke Divinity School with a modest Christian upbringing, but she specializes in the study of the prosperity gospel, a creed that sees fortune as a

Download Free Make It Right

blessing from God and misfortune as a mark of God ' s disapproval. At thirty-five, everything in her life seems to point toward “ blessing. ” She is thriving in her job, married to her high school sweetheart, and loves life with her newborn son. Then

she is diagnosed with stage IV colon cancer. The prospect of her own mortality forces Kate to realize that she has been tacitly subscribing to the prosperity gospel, living with the conviction that she can control the shape of her life with “ a surge of

Even as this type of

misfortune, you are
a failure. Kate is

wise, Kate Bowler pulls the reader deeply into her life in an account she populates affectionately with a colorful, often hilarious retinue of friends, mega-church preachers, relatives, and doctors. Everything Happens for a Reason tells her

For a bowler, taking all ten wickets in an innings is the ultimate statistical feat. It is also a very rare one: in nearly 60,000 first-class matches it has been achieved only
