Pregnancy and Childbirth

Maternity Triage. Most deliveries start with a visit to the OB triage.

Triage is located next to the Labor and Delivery center on the 12th floor of the hospital.

Maternity triage is where we will evaluate your labor symptoms and care for any urgent pregnancy concerns. These can be very anxious times, but be assured that our doctors, nurses and nurse-midwives are experienced and knowledgeable.

Maternal Fetal Triage Index (MFTI) - AWHONN

21 Oct 2013 New triage guidelines are being introduced to ensure pregnant women and new mothers receive the best possible care around the clock. This service should serve as a first port of call for women who are experiencing problems and may need to be seen by an obstetrician urgently. Equally, women can be referred directly for a scan by the GP.
