Imperial War Museums

Merchant seamen crewed the ships of the British Merchant Navy which kept the United Kingdom supplied with raw materials, arms, ammunition, fuel, food and all of the necessities of a nation at war throughout World War II – literally enabling the country to defend itself. In doing this, they sustained a considerably greater casualty rate than almost every other branch of the armed services and suffered great hardship.

About UK, Merchant Seamen Deaths, 1939 -1953.
This collection details the names of over
50,000 merchant seamen who lost their lives
during and just after WWII. The Merchant Navy
during this time was made up of approximately
185,000 seamen, including 40,000 men of
Indian, Chinese and other nationalities. When
war broke out, the merchant fleet, which was
the largest in the world, was put under the
control of the Ministry of Shipping, later
