To really take creative control with your Nikon D7100 digital camera, step up to one of these exposure modes, which enable you to adjust aperture (f-stop) to manipulate depth of field and to adjust shutter speed to determine whether moving objects appear sharply focused or blurry. You also gain access to some features not available in the fully automatic modes, such as the option to adjust flash power and tweak white balance.

~~Amazon.co.uk: Customer reviews:~~

~~Nikon D7100 Digital Field Guide~~

The D7100 is the most complex, and fun, camera I have ever owned. While the Nikon manual provided in the box is a good reference with a lot of detail, it is not organized as a training tool.

The Digital Field Guide does meet that need. I have downloaded both the Nikon manual and the Field Guide so that I will have both references handy when I travel.
