## Biography

Rudolf Nureyev had it all: beauty, genius, charm, passion, and sex appeal. No other dancer of our time has generated the same excitement, for both men and women, on or off the stage. With Nureyev: The Life, Julie Kavanagh shows how his intense drive and passion for dance propelled him from a poor, Tatar-peasant background to the most sophisticated circles of London, Paris, and New York. His dramatic defection to the West in 1961 created a Cold War crisis and made him an instant celebrity, but this was just the beginning. Nureyev spent the rest of his life breaking barriers: reinventing male technique, “crashing the gates” of modern dance, iconoclastically updating the most hallowed classics, and making dance history by partnering England’s prima ballerina assoluta, Margot Fonteyn--a woman twice his age. He danced for almost all the major choreographers--Frederick Ashton, George Balanchine, Kenneth MacMillan, Jerome Robbins, Maurice Béjart, Roland Petit--his main motive, he claimed, for having left the Kirov. But Nureyev also made it his mission to stage Russia's full-length masterpieces in the West. His highly personal productions of Swan Lake, The Nutcracker, Reynolda, Romeo and Juliet, and La Bayadère are the mainstays of the Paris Opéra Ballet repertory to this day. An inspirational director and teacher, Nureyev was a Diaghilev-like mentor to young protégés across the globe--from Karen Kain and Monica Mason (now directors themselves), to Sylvie Guillem, Elisabeth Platel, Laurent Hilaire and Kenneth Greve. Sex, as much as dance, was a driving force for Nureyev. From his first secret liaison in Russia to his tempestuous relationship with the great Danish dancer Erik Bruhn, we see not only Nureyev's notorious homosexual history unfold, but also learn of his profound effect on women--whether a Sixties wild child or Jackie Kennedy and Lee Radziwill or the aging Marlene Dietrich. Among the first victims of AIDS, Nureyev was diagnosed HIV positive in 1984 but defied the disease for nearly a decade, dancing, directing the Paris Opéra Ballet, choreographing, and even beginning a new career as a conductor. Still making plans for the future, Nureyev finally succumbed and died in January 1993. Drawing on previously undisclosed letters, diaries, home-movie footage, interviews with Nureyev’s inner circle, and her own dance background, Julie Kavanagh gives the most intimate, revealing, and dramatic picture we have ever had of this dazzling, complex figure. NOTE: This edition does not include photos.

In this authorized biography using many never-before-seen papers and letters and unprecedented interviews with dancers, family, friends and lovers, Julie Kavanagh tells how the little boy who was born on a train in Siberia at the beginning of World War II grew up to become the greatest male ballet star ever. It is the extraordinary story of how he scrambled his way to the top of the Kirov ballet in record time,how he defected from the USSR; it details his long affair with his hero (the other great ballet star of the times Erik Bruhn) and his rejection by his other hero the great choreographer Balanchine (the ballet director he most longed to work with). It tells of his partnership with Margot Fonteyn, his numerous ballet productions, his own choreography, his leadership of the Paris ballet and mentoring of younger dancers like Sylvie Guillem, as well as his illness and death at a cruelly young age from AIDS. This is a brilliant portrait of a wildly attractive monster whose genius was never in question.

Here, for the first time, is an intimate and fascinating portrait of Rudolf Nureyev off-stage-a man who was an exacting, unpredictable, parsimonious and often immature individual, yet who, at the same time, aroused great affection in a host of friends. Simon Robinson frankly recalls his eventful year working for Nureyev. He did everything for this hopelessly impractical dancer except be his lover, much to Nureyev's disappointment. It was the Russian's insatiable sexual appetite that eventually destroyed him. Nureyev had six houses on three continents but no staff in any of them and he couldn't cook, drive, write a letter, tie a necktie or even change a light bulb. In 1990 Simon Robinson, until then professional crew on a racing yacht, became his PA. For the next twelve months they traveled from the Caribbean to America to Europe, living in luxury in Nureyev's New York and Paris apartments and in spartan isolation on his tiny Mediterranean island. Nureyev's explosive nature was exhausting to live with and many times during their year together Robinson nearly quit-and Nureyev nearly sacked him. It didn't happen, however, because Nureyev needed his PA's calm reliability to ballast his own rocky life, and because Robinson knew that genius must make its own rules.

Offers a vivid portrait of the great dancer and his ballet career since his 1961 defection from the Soviet Union

## Books

From the acclaimed author of This Side of Brightness, the epic life and times of Rudolf Nureyev, reimagined in a dazzlingly inventive masterpiece-published to coincide with the tenth anniversary of Nureyev’s death A Russian peasant who became an international legend, a Cold War exile who inspired millions, an artist whose name stood for genius, sex, and excess-the magnificence of Rudolf Nureyev’s life and work are known, but now Colum McCann, in his most daring novel yet, reinvents this erotically charged figure through the light he cast on those who knew him. Taking his inspiration from the biographical facts, McCann tells the story through a chorus of voices: there is Anna Vasileva, Rudi’s first ballet teacher, who rescues her protégé from the stunted life of his town; Yulia, whose sexual and artistic ambitions are thwarted by her Soviet-sanctioned marriage; and Victor, the Venezuelan hustler, who reveals the lurid underside of the gay celebrity set. Spanning four decades and many worlds, from the horrors of Stalingrad to the wild abandon of New York in the eighties, Dancer is peopled by a large cast of characters, obscure and famous: doormen and shoemakers, Margot Fonteyn and John Lennon. And at the heart of the spectacle stands the artist himself, willful, lustful, and driven by a never-to-be-met need for perfection. In ecstatic prose, McCann evokes the distinct consciousness of the man and the glittering reflection of the myth. The result is a monumental story of love, art, and exile.
