This book puts at the reader's finger tips the opportunity to study related meanings of the various English translations of the Greek. How does the English translation vary in relationship to the Greek word and the context of the passage? How do the translations vary in different New Testament books? How are the King James translations related to the translations of other versions? These are a few of the questions the Concordance will help you answer. The Index lists over 9,700 English translations of the 5,524 Greek words given in the Concordance. It is the only complete English-to-Greek index of translations of Greek New Testament words. In the Concordance the student may study word meanings working from the Greek to the English; in the Index the student works in his studies from the English to the Greek.
