Philosophy and the Mixed Race Experience is a collection of essays by philosophers about the mixed race experience. Each essay is meant to represent one of three possible things: (1) what the philosopher sees as the philosopher's best work, (2) evidence of the possible impact of the philosopher's mixed race experience on the philosopher's work, or (3) the philosopher's philosophical take on the mixed race experience.

Philosophy and the Mixed Race Experience: Linda Martín ...

In this volume, Tina Botts and contributors show how mixed race experiences are important not only for the philosophy of race and moral and political philosophy, but for the practice of philosophy overall. In these essays, mixed-race philosophers address the impact of this phenomenological experience on their philosophical work--analyzing, critiquing, and reflecting on the mixed-race experience as viewed personally, historically, socially, politically, and philosophically.

Philosophy of Race Ser.: Philosophy and the Mixed Race ...

A group of six philosophers and three anthropologists—including Mark Alfano and City University of New York philosophy professor Massimo Pigliucci—submitted a comment on my paper to Philosophical Psychology, pedaling some familiar fallacies and strawmen. First, they proclaim that I think racial groupings are “ discrete ” —wrongly suggesting that my argument requires that there should be no overlap of any kind among races, or that mixed-race people don ’ t exist.
