Explains how to learn foreign languages, offering practical advice for overcoming the obstacles. NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. “A brilliant and thoroughly modern guide to learning new languages.”—Gary Marcus, cognitive psychologist and author of the New York Times bestseller Guitar Zero At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

Whether you journey far from home or travel with a cosmopolitan crowd in your own community, you'll want to take advantage of Dr. Pimsleur's research. When you have completed these ten easy-to-use lessons, you will discover you can comfortably think and converse in Armenian (Western) as a beginner. Learn at your own pace, comfortably and conveniently. Dr. Paul Pimsleur's original and unique method enables you to acquire another language as easily as you learned English--by listening. With the Pimsleur Programme, you'll learn vocabulary and grammar correctly and easily in conversation without mindless repetition. Pimsleur is the only language Programme that includes exclusive, copyrighted memory training that ensures you will always remember what you have learned.

Step into an opulent world filled with risk, romance, and revenge and find out whether two unlikely heroes can save the world and stop corruption. For seven long years, while she was imprisoned on a debtor's ship, Amaya Chandra had one plan: to survive. But now, survival is not enough. She has people counting on her; counting on her for protection, for leadership, for vengeance. And after escaping Moray by the skin of her teeth, she's determined to track down the man who betrayed her and her friends. Cayo Mercado has lost everything: his money, his father, his reputation. Everything except his beloved sister. But he's well on his way to losing her, too, with no way to afford the treatment for her deadly illness. In a foreign empire also being consumed by ash fever, Cayo has no choice but to join Amaya in uncovering the mystery of the counterfeit currency, the fever, and how his father was involved in their creation. But Cayo still hasn't forgiven Amaya for her earlier deception, and their complicated feelings for each other are getting harder and harder to ignore. Through glittering galas, dazzling trickery, and thrilling heists, Cayo and Amaya will learn that the corruption in Moray goes far deeper than they know, and in the end the only people they can trust are each other.

With 100+ full-page illustrations, The Illustrated Histories of Everyday Expressions introduces readers to the fascinating, humorous, and often unbelievable origin stories behind the English language's most common sayings! Every day, English speaking people turn phrase after phrase, idiom after idiom, with no actual idea what they are saying! Sure, the meaning of these expressions has long been established, but rarely do we stop to think about where they come from. No longer will you wonder why getting a goat is so frustrating, or why hatters are so mad (and no, that one doesn't come from Alice in Wonderland)! With The Illustrated Histories of Everyday Expressions, everyday phrases come to life! Inside this charming little hardcover volume, the illustrated idioms will be arranged chronologically, with the oldest expressions appearing first, working all the way up to the present day. Each entry will provide the saying's definition and origin story, laid out cohesively within a funny and captivating illustration of the strange and wonderful long-forgotten story.
