prayer can change your  
life is by teaching you to  
think creatively. The  
way you think spells the  
difference between  
living life well and  
living it poorly. Prayer  
is an activity that  
sharpens the mind and  
thereby brings the  
believer into harmony  
with the great Mind.

Prayer Solution: How  
One Percent of Your  
Day Can Transform  
Your Life by Gary
