Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. The response so far has been totally fantastic. Millions and millions of readers have flocked to the website ([www.conspiracyoftherich.com](http://www.conspiracyoftherich.com)) to read what Robert has to say about the recession, and the readers have posted thousands of comments. Some of those reader comments will even be included in the final tradepaper version.
