Audiobooks matching keywords John milton | Audible.com The John Milton series consists of 2 novellas and 6 novels. Every on of the 8 books deserves a five star rating. John Milton is a British espionage agent who is trying to leave the agency after years against the wishes of the agency. I wish that Mark Dawson would write more John Milton novels, but that seems unlikely. Dawson is a wonderful author.

John Milton is trying to make amends for a career spent killing for the British Secret Service. He has a burning need to right wrongs - and rewrite his own bloody past. He finds himself in Louisiana - the Big Sleazy, the bayou, and the post-Katrina wreckage of the Gulf Coast - with a debt of honor to repay. Isadora Bartholomew, who saved his partner's life, needs his help. Joel Babineaux, a ruthless property magnate, is out to sink the charity she established to help rebuild the Lower Ninth Ward. Just when Milton thinks he has neutralised Babineaux's scheming, a dangerous man from his past takes an unhealthy interest in his present. Claude Boon used to work for the Mossad and might be more than Milton can handle. And then the stakes get even higher... 'Salvation Row' is the most explosive thriller yet in Mark Dawson's bestselling John Milton series. It's a book no self-respecting suspense fan will want to be without.

John Milton is a ghost. He was Number One. The most dangerous assassin in Group Fifteen, the black-ops organisation that solves problems when diplomacy has failed. Now Milton is Her Majesty's most wanted fugitive - an anonymous loner with a deadly set of skills. So when he is arrested following a brawl in a Texas bar, the last person he expected to bail him out was a glamorous operative from the Russian Secret Service. Milton is blackmailed into finding his predecessor as Number One. But she's a ghost, too, and just as dangerous as him. He finds himself in deep trouble, playing the Russians against the British in a desperate attempt to save the life of his oldest friend. Some ghosts are better left alone. But these two have been disturbed and now there's going to be hell to pay. This, the fifth book in the best-selling John Milton series, is his most action-packed adventure yet. Read about the damaged hero that reviewers are describing as 'the English Jack Reacher'.

A man called Milton walks into town...On the run from his own demons, John Milton treks through the Michigan wilderness into the town of Truth. He's not looking for trouble, but trouble's looking for him. He finds himself up against a small-town cop who has no idea with whom he is dealing, and no idea how dangerous he is.But Milton is double crossed and badly injured. Unarmed and alone, he flees into the remote Porcupine Mountains with a posse on his tail. His enemies thought they could hunt him down. That was a mistake and, where Milton is concerned, one mistake is all you get.From best-selling author Mark Dawson (the John Milton and Beatrix Rose series), The Sword of God is the latest in the acclaimed series of thrillers that readers love.

John Milton is, next to William Shakespeare, the most influential English poet, a writer whose work spans an incredible breadth of forms and subject matter. The Complete Poetry and Essential Prose of John Milton celebrates this author's genius in a thoughtfully assembled book that provides new modern-spelling versions of Milton's texts, expert commentary, and a wealth of other features that will please even the most dedicated students of Milton's canon. Edited by a trio of esteemed scholars, this volume is the definitive Milton for our time. In these pages you will find all of Milton's verse, from masterpieces such as Paradise Lost-widely viewed as the finest epic poem in the English language-to shorter works such as the Nativity Ode, Lycidas,. A Masque and Samson Agonistes. Milton's non-English language sonnets, verses, and elegies are accompanied by fresh translations by Gordon Braden. Among the newly edited and authoritatively annotated prose selections are letters, pamphlets, political tracts, essays such as Of Education and Areopagitica, and a generous portion of his heretical Christian Doctrine. These works reveal Milton's passionate advocacy of controversial positions during the English Civil War and the Commonwealth and Restoration periods. With his deep learning and the sensual immediacy of his language, Milton creates for us a unique bridge to the cultures of classical antiquity and medieval and Renaissance Christianity. With this in mind, the editors give careful attention to preserving the vibrant energy of Milton's verse and prose, while making the relatively unfamiliar aspects of his writing accessible to modern readers. Notes identify the old meanings and roots of English words, illuminate historical contexts-including classical and biblical allusions-and offer concise accounts of the author's philosophical and political assumptions. This edition is a consummate work of modern literary scholarship.

"Milton is keeping a low profile in London when he meets Eddie Fabian. Fabian confesses that he is considering suicide, and that the reason for his depression was the abuse that he suffered as a child. Milton offers to help, but, before he can, Eddie is found dead in circumstances that Milton considers suspicious. And then events take a turn that no-one could have anticipated... Milton's attempted good deed becomes a quest to unveil corruption at the highest levels of government and murder at the dark heart of the criminal underworld. Milton is pulled back into the game, and that's going to have serious consequences for everyone who crosses his path"Publisher description.

Bury your enemies, and bury them deep. John Milton thought he was done with Avi Bachman. The most dangerous man he's ever known has been incarcerated in Angola, the brutal Louisiana prison. Inmates rarely leave Angola. Once you go in, the only way out is in a box. But Bachman is no ordinary prisoner. He was an assassin for the Mossad, and he has favours to call in. Milton is in the Australian outback with an old friend and his flirtatious kid sister, looking for a summer's peace to put his troubled mind to rest. But Bachman has other plans. He thinks that Milton killed his wife, and now he wants revenge. From Australia to Israel, from Hong Kong to Croatia, here is the conclusion of this brutal chapter in Milton's life. The two headhunters are on a collision course, and only one of them will walk away. Mark Dawson is the new master of the page-turning thriller and more than 350,000 copies of the Milton series have been downloaded since it was first published. Don't start this book in bed - you will lose sleep.

A thrilling new suspense novel with shades of The Stand and One Second After from the New York Times bestselling author of the Jonathan Grave series, that fans of Ben Coes and Brad Taylor won't want to miss! In the wake of a global conflict that has devastated America, those who survived live in a world without technology or governance. They look to one woman—single mother and former West Virginia Congressperson Victoria Emerson—to lead and protect those determined to rebuild all they have lost... “Engrossing...Fans of doomsday military thrillers will delight in the resilience of Gistrap’s family of preppers and their quest for survival on their terms.” —Publishers Weekly They call it Hell Day—a world war that lasted less than twenty-four hours. Nations unleashed weapons that destroyed more than a century’s worth of technology. Electrical grids cannot generate power. Communications and computers cannot run. And the remnants of the U. S. government cannot be depended upon. Those who survived must live as their ancestors did, off a land ruled by the whims of nature. One-time congressional representative Victoria Emerson has become the new leader of the small town of Ortho, West Virginia. She has been struggling to provide food and shelter for the town’s inhabitants, while coping with desperate refugees. An autumn morning’s calm is shattered when her teenage son sounds the alarm with the cry “Blue Fire”—the code phrase for imminent danger. A band of National Guardsmen intends to take Ortho and its resources for themselves. They have enough soldiers and firepower to eliminate anyone who dares to stop them. But Victoria swore an oath to defend and protect her people, and she isn’t about to surrender. It’s time to tap into the traditional American values of courage, ingenuity, and determination—and fight fire with fire.
