The hunting of small game like rabbits, squirrels, and a variety of birds is the most popular type of hunting in America. Hunting can be more than just a way to harvest healthy meat: it can also enhance one's physical and mental well-being by spending time in nature. Beginning and experienced hunters alike will find this in-depth guide a helpful resource. Detailed information on the behavior of wild animals, the use of firearms and bows, and responsible practices to manage and preserve wildlife and the environment is covered in an easy-to-read, attractive format.
