Successful execution of the start is often the most influential factor in a sailing race, explains British Sailing Team 470 sailor Anna Burnet. This is particularly true for dinghy and inshore racing because a shorter race emphasises the need to start well and gain an early advantage on competitors.

Start Sailing Right is a fantastic primer for anyone with an urge to get out on the water and a reference guide for a lifetime. It offers one practical, usable tip after another and the profuse use of large, clear diagrams and humorous illustrations makes sailing quickly understandable and puts the new sailor at ease. But sailing can also be a challenging sport. A good sailor is always aware of changing winds and weather, and develops a healthy respect for Mother Nature and the safety of everyone on board. It's called seamanship, and it's a message that comes through loud and clear in this book.

This series is about sailing faster and smarter and with greater confidence. Where sailing is simplified for beginners as they learn fundamental skills and concepts, intermediate sailors are ready for deeper explanations and some of the details behind how a sailboat works.
