Most business schools use case studies in their courses. However, these are typically based on past cases and assigned to students to solve. This book describes a new

File Type PDF

Strategic

Management
Case Studies
With Solution

approach for teaching with case studies, which was developed and applied successfully at TUM School of Management. In this approach, student teams write and solve their own case study on a topic concerning current and future businesses. A case can thus be on their own startup or a strategic decision of

File Type PDF

Strategic

existing companies.

During the course, the students receive

intensive coaching while selecting and developing

the case topic by the course advisors as well

as feedback by industry experts and executives

for whom the case is actually a burning

question. The authors present 17 cases

covering strategic
