There was something very special and beautiful about women in the early- to mid-20th century. The way they dressed was elegant and the way they wore their hair was feminine. This book shows how to create so many of those hairstyles by taking hairstyles from the 1930s, 40s, 50s, and 60s and breaking them down into simple, easy-to-follow instructions. It uses brand new photographs and detailed directions. Not only a manual, it is also fun to read. The Finished Styles chapter of the book contains coffee table book quality images of models with their finished hairstyles. Sprinkled in introductions and throughout the book are interesting facts about the history of hairstyling, origins of styles, and information about starlets and performers who made the styles popular.

In a melding of the fun style of the 'Style Me Vintage' series with a traditional cookery book, Style Me Vintage: Tea Parties is a vintage and thematic take on a traditional afternoon tea book. The current trend for retro styled events and afternoon tea parties is as much about styling as it is about food and drink and this book will show you just how to achieve your own perfect event. Split into themed tea parties, it will show how to create your tea party: dress your table, decorate your room, do your invitations, costume suggestions, and offer key recipes for food and drink within each theme. Themes include: a Victorian Tea Party (lace aplenty and dainty cakes), an Edwardian Breakfast (country house pastries and breakfast cocktails), a 1920's Speakeasy (cocktails in tea cups and recipes for jazz babies), a 1930's Cocktail Party (silk, tweed, champagne with elegance), a 1940's Picnic (fiery ginger beer anyone?), a 1950's Street Party (bunting and finger food). With advice on scaling up into a tea party for many – or down to an intimate tea for two, you can't go wrong.

From the finger waves of the romantic 1910s to the beehive of the rebellious 1960s, retro hair has made a comeback. Vintage Hairstyles presents all the tools, techniques, and step-by-step instructions needed to achieve eye-catching looks for every occasion. Trendsetters, hairstylists, and fashionistas will love creating elegant updos for special events or playful curls for everyday excursions. Featuring a history of beauty trends by the decades, a list of must-have hair products, and projects for making chic hair accessories, Vintage Hairstyles showcases classic beauty with a fresh twist.

Celebrating the perennial interest in incorporating vintage flea-market finds into interior schemes, *Style Me Vintage: Home* is a feast of retro inspiration. With practical information on how to identify and source original vintage homewares, there is also plenty of inspiration on how to style your rooms according to your favoured decade, whether it be the 1920s or the 1970s. Without being restrictive, there's also plenty of advice on how to mix eras and incorporate vintage into contemporary schemes. This is a sourcebook of inspiration to all those hungry for nostalgic design. From ideas for display (fab sixties artwork, kitsch figurines, retro plates and crockery) to larger furniture finds (fifties sideboards, classic fabrics, reupholstered armchairs) see how vintage design can be made to work today.
