Om vampyrer, spøgelse og mystiske kræfter

Something mysterious is at work. For thousands of years, Earth has been haunted by ghosts, menaced by vampires, disturbed by malevolent spirits, and graced by mystical powers. The desire to engage with the supernatural world lures many visitors to haunted castles, UFO hotspots, and sacred sites. In truth, we want to experience spine-tingling moments, feel the mystery, or find evidence of other worlds. From the barren deserts of southern Peru to the lush valleys of central Europe, the supernatural forms part of the ancient myths and legends of every culture. The much-feared and popularized vampire is found not only in Romania, but also in other countries such as Scotland, Ghana, and the Philippines. Ghosts not only haunt ruined medieval European castles, but also lurk in American cemeteries, roam the Hex River Valley of South Africa, or inhabit deserted towns, battle sites, and islands. Legendary heroes are as numerous in Burma as they are in Greece, and mystical places can be as empowering as Ayers Rock in Australia or as baffling as Aramu Muru in southern Peru. Supernatural Places is a comprehensive guide to exploring the Earth's supernatural heritage and where to seek out a mystical, otherworldly

Using the example of the Eastern Algonkians, this book argues that Native Americans did not convert to Christianity, but rather made sense of Christianity in their own traditional ways and for their own social purposes.

Ever wondered how the quintessential bully acted during the Holy Inquisition? Look no further. In her unnerving gothic novel "The Italian" (1797), Ann Radcliffe explores individuality in a culture dominated by the church as the happiness of the young couple Vicento di Vivaldi and Ellena di Rosalbe is thwarted by the evil ways of the selfish and peremptory Father Schedoni. The last novel to be published during Radcliffe's lifetime, this fast-paced gothic novel is packed with romantic rendezvous, nocturnal danger, kidnappings, murder, and mysterious characters lurking in the shadows. Hidden away in this sublime novel of concealment and disguise is an undying and triumphant light that emanates from the hearts of Vicento and Ellena who are sure of one thing: no one is above the law - not even the church. Ann Radcliffe (1764-1823) was a British fiction writer, best known for her pioneering role in the English gothic tradition. She married a journalist and in his long absences, she began to write. Her works exhibit a preference for exotic and sinister places, where her female protagonists often suffer supernatural occurrences. Her best known novels include "The Mysteries of Udolpho", "The

This work is an invitation and guide for young people to bring the realm of Heaven to earth. As children discover their identity through the revelation of the Father's love, they are released to fulfill their Royal Mission: to demonstrate the Kingdom of God by living a life of miracles. Each chapter explains and identifies the inheritance that God's sons and daughters possess, such as the Father's love, the anointing and indwelling of the Holy Spirit, faith, prayer, and the keys of power and authority. This book is not only a companion for the "journey", but also provides a meeting place for children to encounter God's presence that will transform their hearts and lives.

Changing Art into Research: Soliloquy Methodology presents a research methodology that enables inquiry into one's personal experiences in an endeavour to reveal essential commonalities of human experience. Arts-informed research methods are becoming increasingly popular with scholars in Arts, Education and the Social Sciences, but there is often confusion about how to turn arts practice into rigorous inquiry. This book examines the theoretical perspectives needed to inform these research approaches, which are often missing in methods teaching and research. Soliloquy is a new methodology that interprets and applies Husserl's philosophical concept of Transcendental Phenomenology. It marries together the synthesizing powers of the unconscious mind with the analytical capacities of

Conscious cognition and articulation. It further explores the possibility that both cognitive and intuitive ways of knowing are valid and appropriate for academic inquiry, provided these methods are aligned through a philosophically consistent, theoretical framework. This book will be of great interest to academics and postgraduate students engaged in arts-based qualitative research and those doing an arts-based practice dissertation.

the action but shenanigans and the stars soon turn to Tinseltown tragedy. Bodies are piling up faster than a coven's worth of curses, and everything points back to Cen's star-struck family. They will stop at nothing in their quest for supernatural stardom, even if that means meddling in a murder investigation. The witches have created one spell of a mess and given the killer a chance to get away with murder. Cen resorts to her own blend of supernatural justice to keep her family in check, but can she unmask the killer before he strikes again? Welcome to the wild, wild Wests! Fans of Janet Evanovich and paranormal mystery, cozy mystery, and wickedly funny witches will love the Westwick Witches! From the author: Westwick Corners isn't your typical small town. Or even a normal ghost town. It's where people go not to be found, and witches go to work their magic without attracting too much attention. The combination makes for some interesting and humorous mysteries, and the witches are always at the center of the action! Ruby's cooking, Cendrine's amateur sleuth and investigator activities, and Aunt Pearl's magic school are always looking for that one secret ingredient that will propel the witches to fame and fortune and put the small town of Westwick Corners back on the map again. The witches are forever cooking up new business opportunities like The Westwick Corners Inn, The Witching Post Bar and Grill, and of course, Pearl's Charm School, where witches go to unravel riddles, spin magic spells, and create their own witch mysteries. Too bad they are forever getting distracted because there are always strange things happening in Westwick Corners, from petty crime to murder. The West family has always been in Westwick Corners and always will

Even Grandma Vi the ghost investigates and sleuths. But when everyone pulls together, it's not always in the same direction!
