The Gift of the Magi is a treasured short story written by O. Henry. A young and very much in love couple can barely afford their one-room apartment, let alone the extra expense of getting Christmas presents for one another. But each is determined to show their love for the other in this traditional time of giving; each sells a thing they hold most dear in order to afford a present, with poignant and touching results that capture their love for one another.

"The Innocent Mage is come, and we stand at the beginning of the end of everything." Being a fisherman like his father isn't a bad life, but it's not the one that Asher wants. Despite his humble roots, Asher has grand dreams. And they call him to Dorana, home of princes, beggars?and the warrior mages who have protected the kingdom for generations. Little does Asher know, however, that his arrival in the city is being closely watched by members of the Circle, people dedicated to preserving an ancient magic. Asher might have come to the city to make his fortune, but he will find his destiny.

Once upon a time, there was a stunningly gorgeous mage named Nikki. They were trapped by evil, horrible Jaeggi mages for ten long years until they were rescued by the brave dragon named Gunter. The grumpy red knight swept in, carrying them off to a fair castle, where they lived happily ever after. That's how the story's supposed to go, anyway. Nikki would really like to have that fairytale ending, please and thank you. It's too bad Gunter is oblivious and the Jaeggi are interfering. Nikki may just have to cook up some explosions to help both situations along, because they're determined to get their happily ever after. Is there a magic how-to guide on things that go boom? Tags: non-binary MC, Grumpy and Sunshine, it's basically the air we breathe, Gunter needs a hug, Nikki likes to give them, crippling crush at first sight, Nikki has trust issues, for good reason, Nikki's determined, Gunter is oblivious, mis-used poetry, Alric and Gunter are once again banned from drinking together, ever, schmoop, wall sex, the tongue thing is awesome, all hail Gunter's tongue, violence, because bad guys, Nikki feels that explosions are an appropriate response to everything, Cameron and Nikki are explosion buddies, Nikki has mixed feelings on high heels, fairytales do come true

As war threatens the land and Greymane tries to outrun his past, and the death sentence it carries, a new emperor of Malaz hopes to redeem the failed invasion of Korel with a secret weapon lying in the vaults beneath the Imperial capital: Stonewielder. By the best-selling author of Return of the Crimson Guard.

The #1 New York Times bestselling Red Queen series comes to a stunning conclusion in War Storm. VICTORY COMES AT A PRICE. Mare Barrow learned this all too well when Cal's betrayal nearly destroyed her. Now determined to protect her heart—and secure freedom for Reds and newbloods like her—Mare resolves to overthrow the kingdom of Nortia once and for all . . . starting with the crown on Maven's head. But no battle is won alone, and before the Reds may rise as one, Mare must side with the boy who broke her heart in order to defeat the boy who almost broke her. Cal's powerful Silver allies, alongside Mare and the Scarlet Guard, prove a formidable force. But Maven is driven by an obsession so deep, he will stop at nothing to have Mare as his own again, even if it means demolish everything—and everyone—in his path. War is coming, and all Mare has fought for hangs in the balance. Will victory be enough to topple the Silver kingdoms? Or will the little lightning girl be forever silenced? In the epic conclusion to Victoria Aveyard's stunning series, Mare must embrace her fate and summon all her power . . . for all will be tested, but not all will survive. Plus don't miss Realm Breaker! Irresistibly action-packed and full of lethal surprises, this stunning fantasy series from Victoria Aveyard, #1 New York Times bestselling author of the Red Queen series, begins where hope is lost and asks: When the heroes have fallen, who will take up the sword?

“One of the most intense, funny and erotic reads I've ever read” - Stacey is Sassy, romance blogger Elle Sahlstrom and Jackson Proveaux are enemies. Adversaries. Morally and ethically opposed to each other. At least Elle thinks so. Jackson would quite like to kiss her again... Trapped on a plane on their way to the same destination wedding in Bali, Elle and Jackson agree to be civil for the sake of their engaged friends. A newly reformed playboy, Jackson hopes the holiday will convince Elle he's atoned for his sins and he really can be the man of her dreams. Unfortunately, Elle just wants to get drunk on free wine and ignore the fact that no guy has ever done it for her like her bossy, pretentious, stupidly hot enemy... “If you’re looking for something you haven't read before or if you already love a leading lady in the bedroom, this book is for you.” - AnessaRenee Reviews, romance blogger SOMETHING BORROWED is a full-length contemporary novel by critically acclaimed author Eve Dangerfield. “Yet another cracking good read by Eve Dangerfield” - Bookworm extraordinaire, romance blogger

In the Hugo-award winning, epic New York Times Bestseller and basis for the BBC miniseries, two men change England's history when they bring magic back into the world. In the midst of the Napoleonic Wars in 1806, most people believe magic to have long since disappeared from England - until the reclusive Mr. Norrell reveals his powers and becomes an overnight celebrity. Another practicing magician then emerges: the young and daring Jonathan Strange. He becomes Norrell's pupil, and the two join forces in the war against France. But Strange is increasingly drawn to the wild, most perilous forms of magic, and he soon risks sacrificing his partnership with Norrell and everything else he holds dear. Susanna Clarke's brilliant first novel is an utterly compelling epic tale of nineteenth-century England and the two magicians who, first as teacher and pupil and then as rivals, emerge to change its history.

Hundreds of years before the great Mage War, a land lies, unknowing, on the edge of catastrophe... Barl is young and impulsive, but she has a power within that calls to her. In her city, however, only those of noble blood and with the right connections learn the ways of the arcane. Barl is desperate to learn-but her eagerness to use her power leads her astray and she is banned from ever learning the mystic arts. Morgan holds the key to her education. A member of the Council of Mages, he lives to maintain the status quo, preserve the mage bloodlines, and pursue his scholarly experiments. But Barl's power intrigues him-in spite of her low status. Together, he realizes they can create extraordinary new incantations. Morgan's ambition and Barl's power make a potent combination. What she does not see is the darkness in him that won't be denied. A Blight of Mages is the new novel set in the world of Karen Miller's bestselling debut The Innocent Mage.
