A child's room is the perfect place to explore imaginative ideas and our range of nursery murals are a brilliantly simple, relatively cost effective, yet fabulously creative way of doing just that. Non-woven wallpaper advantages The most user-friendly wallpaper on the market. Sourced from FSC Certified Forests and printed with water-based ink.

At a time when the U.S. flag is both a source of both pride and controversy, this volume provides the first encyclopedic A-to-Z treatment of the U.S. flag in American history, culture, and law.

The thirteen-stripe, fifty-star flag is as familiar an American icon as any that has existed in the nation's history. Yet the history of the flag, especially its origins, is cloaked in myth and misinformation. **Flag: An American Biography** rectifies that situation by presenting a lively, comprehensive, illuminating look at the history of the American flag from its beginnings to today. Journalist and historian Marc Leepson uncovers scores of little-known, fascinating facts as he traces the evolution of the American flag from the colonial period to the twenty-first century. Flag sifts through the historical evidence to—among many other things—uncover the truth behind the Betsy Ross myth and to discover the true designer of the Stars and Stripes. It details the many colorful and influential Americans who shaped the history of the flag. "Flag," as the novelist Nelson DeMille says in his preface, "is not a book with an agenda or a subjective point of view. It is an objective history of the American flag, well researched, well presented, easy to read and understand, and very informative and entertaining." "Our love for the flag may be incomprehensible to others, but at least we now have a comprehensive guide to its unfolding." —The Wall Street Journal "The fascination of history is in its details, and the author of **Flag: An American Biography** knows how to find them and turn them into compelling reading.... This book brings out the irony, humor, myth, and behind-the-scenes happenings that make our flag's 228-year history so fascinating." —The Saturday Evening Post "Timely and insightful." —The Dallas Morning News

Explore the American Flag.

An introduction to the history of the American flag, from colonial times to the present.

Do you know why the US flag has stars and stripes on it? What does the flag stand for, and why do we say the Pledge of Allegiance? Join Mr. Gomez's class as they study the flag to find out! They'll learn when the first American flag was made, what the Pledge of Allegiance means, and why we still honor the flag today.

From one of the world's leading graphic designers comes a stunning tribute to America's most enduring icon—the Stars and Stripes.The Revolutionary Congress resolved in 1777 that "the flag of the United States be 13 stripes, alternate red and white, that the Union be 13 white stars in a blue field representing a new constellation." Since that time, the American flag has been raised high in wartime triumph and peacetime celebration; burned in fervent protest; sewn lovingly onto quilts, caps, pillows, and bags; appropriated by the commercial sphere to sell goods as varied as cigars, and designer clothing, and rock-and-roll albums; and faithfully honored every 4th of July to celebrate America's independence. This collection of more than 3,000 Stars and Stripes artifacts ranges from Civil War-era banners and Native American braided moccasins to an early 20th-century "friendship" kimono and original flag art by several of the world's leading designers. In its deluxe format with over 500 illustrations, **LONG MAY SHE WAVE** gives wide berth to the flag in all its manifestations, and the result is a stunning visual history of America—75 most treasured symbol.Full-color throughout, with over 500 illustrations in a deluxe 11 x 14-inch volume-**LONG MAY SHE WAVE** is the perfect gift for folk-art appreciators, history buffs, and collectors.Features the 3,000-piece exhibit that was displayed at the American Institute of Graphic Arts and the San Jose Museum of Art in 2000. From toy soldiers to collectable spoons, cigar blankets to historic flags—the breadth of the collection is unrivaled.For a list of appearances by this author, check out our **Calendar of Events**.

Shows what various flags of the United States have meant, and what the Stars and Stripes means to us today.

Profiles the history of the American flag, how it symbolizes the United States, and where it is flown.

Americans honor the flag with a fervor seen in few other countries: The Stars and Stripes decorate American homes and businesses; wave over sports events and funerals; and embellish everything from politicians' lapels to the surface of the moon. But what does the flag mean? In **Capture the Flag**, historian Woden Teachout reveals that it has held vastly different meanings over time. It has been claimed by both the right and left; by racists and revolutionaries; by immigrants and nativists. In tracing the political history of the flag from its origins in the American Revolution through the present day, Teachout demonstrates that the shifting symbolism of the flag reveals a broader shift in the definition of American patriotism. A story of a nation in search of itself, **Capture the Flag** offers a probing account of the flag that has become America's icon.
