File Type PDF The American West A Very

Short Introduction tracks “the West” from the building of the Cahokia Mounds around 900 ad, through early encounters with Europeans, to the Newlands Reclamation Act in 1902, and the post-World War II migration to California. It stretches the chronology, enlarges the geography, and varies the casting, providing a history of the American West that is longer, larger, and more complicated than popular culture has previously suggested.

The American frontier (also known as the Wild West or the Old West) includes the geography, history, folklore, and cultural expression of life in the forward wave of American expansion that began with European colonial settlements in the early 17th century and ended with the admission of the last few territories as states in 1912. This era of massive migration and settlement was particularly ...

A Western saloon is a kind of bar particular to the Old West. Saloons served customers such as fur trappers, cowboys, soldiers, lumberjacks, businessmen, lawmen, outlaws, miners, and gamblers. A saloon might also be known as a "watering trough, bughouse, shebang, cantina, grogshop, and gin mill". The first saloon was established at Brown's Hole, Wyoming, in 1822, to serve fur trappers.

Hailing from the east coast
in Virginia, I have a very
different definition of the
American West and the
assumptions one makes about
the western culture
according to my definition.
The first thing that comes
to mind for a southerner
like myself when thinking of
the West are cowboys, and
how they are the
quintessential American
figureheads.
