Many of us would love to hold the attention of a crowd, a classroom, or just a group of our friends by telling them a great story. We have felt the pressure of a public presentation or the disappointment of a story that is ignored and we are ready for more. In The Art of Storytelling, John Walsh talks through the steps to presenting a compelling story, outlining the strategies that helped him move from stutterer to storyteller as he fulfilled his calling of becoming a preacher. This book will help any person with a story to share, as it talks through all aspects of presentation, from what to do with your hands as you speak, to crafting a killer ending. It is especially relevant those who teach through the stories of the Bible or who would like to do so.
