Books

Online Library The
Jurisprudence Of
Emergency Colonialism
And The Rule Of Law Law
Meaning And Violence

The Jurisprudence of Emergency examines British rule in India from the late eighteenth to the early twentieth century, tracing tensions between the ideology of liberty

Online Library The Jurisprudence Of

Emergency Colonialism
And The Rule Of Law Law
Meaning And Violence

and government by law used to justify the colonizing power's insistence on a regime of conquest. Nasser Hussain argues that the interaction of these competing ideologies exemplifies a conflict central to all Western legal systems—between the universal,

Online Library The Jurisprudence Of

Emergency Colonialism
And The Rule Of Law Law
Meaning And Violence

rational operation of law on the one hand and the absolute sovereignty of the state on the other. The author uses an impressive array of historical evidence to demonstrate how questions of law and emergency shaped colonial rule, which in turn

Online Library The Jurisprudence Of

affected the development of
Western legality. The pathbreaking
insights developed in The
Jurisprudence of Emergency
reevaluate the place of colonialism
in modern law by depicting the
colonies as influential agents in the
interpretation of Western ideas

Online Library The Jurisprudence Of

Emergency Colonialism
and practices. Hussain's
interdisciplinary approach and
subtly shaded revelations will be
of interest to historians as well as
scholars of legal and political
theory.

This book analyses the states of

Online Library The
Jurisprudence Of
Emergency Colonialism
intersections between colonial law,
international law, imperialism and
racial discrimination.

Recent controversies surrounding
the war on terror and American
intervention in Iraq and

Online Library The Jurisprudence Of

Afghanistan have brought rule of law rhetoric to a fevered pitch. While President Obama has repeatedly emphasized his Administration ' s commitment to transparency and the rule of law, nowhere has this resolve been so quickly and severely tested than

Online Library The Jurisprudence Of

with the issue of the possible
prosecution of Bush Administration
officials. While some worry that
without legal consequences there
will be no effective deterrence for
the repetition of future
transgressions of justice
committed at the highest levels of

Online Library The Jurisprudence Of

government, others echo Obama ' s
seemingly reluctant stance on
launching an investigation into
allegations of criminal wrongdoing
by former President Bush, Vice
President Cheney, Secretary
Rumsfeld, and members of the
Office of Legal Counsel. Indeed,

Online Library The Jurisprudence Of

even some of the Bush
Administration ' s harshest critics
suggest that we should avoid such
confrontations, that the price of
political division is too high.
Measured or partisan, scholarly or
journalistic, clearly the debate
about accountability for the alleged

Online Library The Jurisprudence Of

Crimes of the Bush Administration
will continue for some time. Using
this debate as its jumping off point,
When Governments Break the Law
takes an interdisciplinary approach
to the legal challenges posed by
the criminal wrongdoing of
governments. But this book is not

Online Library The Jurisprudence Of

an indictment of the Bush
Administration; rather, the
contributors take distinct positions
for and against the proposition,
offering revealing reasons and
illuminating alternatives. The
contributors do not ask the
substantive question of whether

Online Library The Jurisprudence Of

Emergency Administration officials,
in fact, violated the law, but rather
the procedural, legal, political, and
cultural questions of what it would
mean either to pursue criminal
prosecutions or to refuse to do so.
By presuming that officials could
be prosecuted, these essays

Online Library The Jurisprudence Of

address whether they should.
When Governments Break the Law
provides a valuable and timely
commentary on what is likely to be
an ongoing process of
understanding the relationship
between politics and the rule of
law in times of crisis. Contributors:

Online Library The Jurisprudence Of

Claire Finkelstein, Lisa Hajjar,
Daniel Herwitz, Stephen Holmes,
Paul Horwitz, Nasser Hussain,
Austin Sarat, and Stephen I.
Vladeck.

Law is usually understood as an
orderly, coherent system, but this

Online Library The Jurisprudence Of

Emergency Colonialism
And The Rule Of Law Law
Meaning And Violence

volume shows that it is often better understood as an entangled web. Bringing together eminent contributors from law, political science, sociology, anthropology, history and political theory, it also suggests that entanglement has been characteristic of law for

Online Library The Jurisprudence Of

much of its history. The book shifts the focus to the ways in which actors create connections and distance between different legalities in domestic, transnational and international law. It examines a wide range of issue areas, from the relationship of state and

Online Library The Jurisprudence Of

indigenous orders to the regulation of global financial markets, from corporate social responsibility to struggles over human rights. The book uses these empirical insights to inform new theoretical approaches to law, and by placing the entanglements between norms

Online Library The Jurisprudence Of

Emergency Colonialism
And The Rule Of Law Law
Meaning And Violence

from different origins at the centre
of the study of law, it opens up
new avenues for future legal
research. This title is also
available as Open Access.

When Britain abandoned its
attempt to eradicate difference

Online Library The Jurisprudence Of

Emergency Colonialism
And The Rule Of Law Law
Meaning And Violence

between conqueror and conquered
and introduced a new idea of
governance as the definition and
management of difference, lines of
political identity were drawn
between settler and native, and
between natives according to tribe.
Out of this colonial experience

Online Library The Jurisprudence Of

Emergency Colonialism
Arose a language of pluralism.

And The Rule Of Law Law

Archiving Sovereignty shows how
courts use fiction in their

treatment of sovereign violence.

Law's complicity with imperial and
neocolonial practices occurs when
courts inscribe and repeat the

Online Library The Jurisprudence Of

Emergency Colonialism
And The Rule Of Law Law
Meaning And Violence

fabulous tales that provide an alibi
for archaic sovereign acts that
persist in the present. The United
Kingdom's depopulation of islands
in the Indian Ocean to serve the
United States' neoimperial
interests, Australia's exile and
abandonment of refugees on

Online Library The Jurisprudence Of

remote islands, the failure to acknowledge genocidal acts or colonial dispossession, and the memorial work of the South African Constitution after apartheid are all sustained by historical fictions. This history-work of law constitutes an archive

Online Library The Jurisprudence Of

Emergency Colonialism
And The Rule Of Law Law
Meaning And Violence

where sovereign violence is mediated, dissimulated, and sustained. Stewart Motha extends the concept of the "archive," as site of origin and source of authority, to signifying what law does in preserving and disavowing the past at the same time.

Online Library The Jurisprudence Of

Sovereignty is often cast as a limit-
concept, constituent force,
determining the boundary of law.

Archiving Sovereignty reverses
this to explain how judicial
pronouncements inscribe and
sustain extravagant claims to
exceptionality and sovereign

Online Library The Jurisprudence Of

solitude. This wide-ranging, critical work distinguishes between myths that sustain neocolonial orders and fictions that generate new forms of political and ethical life.

Most modern states turn swiftly to

Online Library The Jurisprudence Of

Emergency Colonialism
And The Rule Of Law Law
Meaning And Violence

law in an emergency. The global response to the 11 September 2001 attacks on the United States was no exception, and the wave of legislative responses is well documented. Yet there is an ever-present danger, borne out by historical and contemporary

Online Library The Jurisprudence Of

events, that even the most well-meaning executive, armed with extraordinary powers, will abuse them. This inevitably leads to another common tendency in an emergency, to invoke law not only to empower the state but also in a bid to constrain it. Can law

Online Library The Jurisprudence Of

Emergency Colonialism
And The Rule Of Law Law
Meaning And Violence

constrain the emergency state or
must the state at times act outside
the law when its existence is
threatened? If it must act outside
the law, is such conduct
necessarily fatal to aspirations of
legality? This collection of essays
- at the intersection of legal,

Online Library The Jurisprudence Of

Emergency Social Theory and
Practice - explores law's capacity
to constrain state power in times
of crisis.

Research on law's relationship
with time has flourished over the
past decade. This edited collection

Online Library The Jurisprudence Of

Emergency Colonialism
And The Rule Of Law Law
Meaning And Violence

aims to put law and time scholarship into wider context, advancing conversations on time and temporalities between socio-legal scholars, anthropologists, sociologists, geographers and historians. Through a diverse range of contributions, the

Online Library The Jurisprudence Of

Emergency Colonialism
And The Rule Of Law Law
Meaning And Violence

collection explores how legal modalities of time emerge and have effects within wider clusters of social and political action.

Themes include: law ' s diverse roles in maintaining linear historicist models of time; law ' s participation in the materialisation

Online Library The Jurisprudence Of

of times; and the unsteady effects
of temporal pluralism and
polytemporalities in law. De-
naturalising the 'time' in law and
time scholarship, this collection
positions time as something that
can be enacted and materialised as
well as experienced, with distinct

Online Library The Jurisprudence Of

implications for questions of social
justice.

And The Rule Of Law Law
Meaning And Violence

This book sets forth the evolution
of Korea's law and legal system
from the Chosŏn dynasty through
the colonial and postcolonial
modern periods. This is the first

Online Library The Jurisprudence Of

Emergency Colonialism
And The Rule Of Law Law
Meaning And Violence

book in English that
comprehensively studies Korean
legal history in comparison with
European legal history, with
particular emphasis on customary
law. Korea's passage to Romano-
German civil law under Japanese
rule marked a drastic departure

Online Library The Jurisprudence Of

from its indigenous legal tradition. The transplantation of modern civil law in Korea was facilitated by Japanese colonial jurists who created a Korean customary law; this constructed customary law served as an intermediary regime between tradition and the demands

Online Library The Jurisprudence Of

of modern law. The transformation of Korean law by the forces of Westernisation points to new interpretations of colonial history and presents an intriguing case for investigating the spread of law on a global level. In-depth discussions of French customary law and

Online Library The Jurisprudence Of

Emergency Colonialism
And The Rule Of Law Law
Meaning And Violence

Japanese legal history also provide a solid conceptual framework suitable for comparing European and East Asian legal traditions.

"The Justice of Mercy is exhilarating reading. Teeming with intelligence and insight, this study

Online Library The Jurisprudence Of

Emergency Colonization
And The Rule Of Law Law
Meaning And Violence

immediately establishes itself as
the unequaled philosophical and
legal exploration of mercy. But
Linda Meyer's book reaches
beyond mercy to offer
reconceptualizations of justice and
punishment themselves. Meyer's
ambition is to rethink the failed

Online Library The Jurisprudence Of

retributivist paradigm of criminal justice and to replace it with an ideal of merciful punishment grounded in a Heideggerian insight into the gift of being-with-others. The readings of criminal law, Heideggerian and Levinasian philosophy, and literature are

Online Library The Jurisprudence Of

powerful and provocative. The
Justice of Mercy is a radical and
rigorous exploration of both
punishment and mercy as
profoundly human activities."

---Roger Berkowitz, Director of
the Hannah Arendt Center for
Ethical and Political Thinking, Bard

Online Library The Jurisprudence Of

College "This book addresses a question both ancient and urgently timely: how to reconcile the law's call to justice with the heart's call to mercy? Linda Ross Meyer's answer is both philosophical and pragmatic, taking us from the conceptual roots of the supposed

Online Library The Jurisprudence Of

Emergency Colonialism
And The Rule Of Law Law
Meaning And Violence

conflict between justice and mercy
to concrete examples in both
fiction and contemporary criminal
law. Energetic, eloquent, and
moving, this book's defense of
mercy will resonate with
philosophers, legal scholars,
lawyers, and policymakers

Online Library The Jurisprudence Of

engaged with criminal justice, and anyone concerned about our current harshly punitive legal system." ---Carol Steiker, Harvard Law School "Far from being a utopian, soft and ineffectual concept, Meyer shows that mercy already operates within the law in

Online Library The Jurisprudence Of

ways that we usually do not recognize. . . . Meyer's piercing insights and careful analysis bring the reader to think of law, justice, and mercy itself in a new and far more profound light." ---James Martel, San Francisco State University How can granting

Online Library The Jurisprudence Of

mercy be just if it gives a criminal
less punishment than he
"deserves" and treats his case
differently from others like it?

This ancient question has become
central to debates over truth and
reconciliation commissions,
alternative dispute resolution, and

Online Library The Jurisprudence Of

other new forms of restorative justice. The traditional response has been to marginalize mercy and to cast doubt on its ability to coexist with forms of legal justice. Flipping the relationship between justice and mercy, Linda Ross Meyer argues that our rule-bound

Online Library The Jurisprudence Of

Emergency Colonialism
And The Rule Of Law Law
Meaning And Violence

and harsh system of punishment is
deeply flawed and that mercy
should be, not the crazy woman in
the attic of the law, but the lady of
the house. This book articulates a
theory of punishment with mercy
and illustrates the implications of
that theory with legal examples

Online Library The Jurisprudence Of

drawn from criminal law doctrine,
pardons, mercy in military justice,
and fictional narratives of
punishment and mercy. Linda Ross

Meyer is Carmen Tortora
