Some of the most considerable theories include the feminist theory, social disorganization theory, strain theory, sub-cultural, and educational theories among others. It is worthy to note that some of the emerging theories are not yet official as they are formulated from the preexisting ones and therefore cannot be treated as autonomous.

The current study investigates the offending trajectories of juvenile sex offenders (JSOs) across and beyond adolescence. In doing so, the study examines the number, the rate, and the shape of nonsexual and sexual offending trajectories in a sample of JSOs followed retrospectively and prospectively from late childhood to adulthood.

A Developmental Taxonomy of Juvenile Sex Offenders for ...
Juvenile offenders have grown to become a serious problem in many countries, especially the United States. Like adult offenders, juvenile offenders are more likely to reoffend, especially without the proper guidance and assistance they need in order to live a law abiding life. Research within the last five years has led to identification of specific program models as well theory -based intervention approaches that not only assist juvenile offenders in

The Juvenile Offender Theory Research And Applications ...
It involves research, acknowledgement of causes, factors,
exploration, and evaluation of subgroups to generate long-term,
positive changes in the lives of juvenile offenders. From gang
violence to Interactive, Constructive, Active, and Passive (ICAP),
researchers discover some of the reasons why juveniles
