In his book entitled *The Liar in Your Life: The Way to Truthful Relationships*, Feldman presents evidence on why we lie, just how often we stretch the truth, and the costs and benefits that come with such fibbing—whether it's the so-called "little white lie", a Madoff-style whopper, or something in between. "The most surprising finding of my research is how ubiquitous lying is," says Feldman.

### *3 Hard Truths About Liars - The Daily Positive*

For over 47 years of public life, Joe Biden has shown himself to have an irresistible propensity to lie. He has lied to his professors.

### *'Joe Biden is a pathological liar' - Washington Times*

A white liar is the most common type of liar, someone who tells untruths in everyday situations to make life a little easier. These lies are harmless, and sometimes even necessary. For example, complementing your mother's dinner even when you don't love it, or when a friend says "I love your dress!" but they don't really mean it. White lies are a good way to protect one's own feelings along with those of others.
