Governing Law Clauses

| Ashurst

Special districts are
independent, special-
purpose governmental
units that exist
separately from local
governments such as
county, municipal, and
township governments,

Access PDF The Special Law

with substantial administrative and fiscal independence. They are formed to perform a single function or a set of related functions. The term special district governments as defined by the U.S. Census Bureau excludes school districts. In 2007, the U.S. had more than 37,000 special district governments.

Special district (United States) - Wikipedia

The general definition of the public sector includes government ownership or control rather than mere function and thereby includes, for example, the exercise of public authority or the implementation of public policy.
