### Science says parents of successful kids have these 11 ...

Sears says, "It's never too late to try the AP approach with a child," but The Successful Child definitely will be most useful to parents who've raised their child according to AP guidelines through infancy and toddlerhood. Those who haven't may shudder when Sears writes that the developmental stage from birth to one year most influences a child's future success "because that's when caregivers leave the most lasting impressions on a child's brain."

### Here's What Parents of Successful Kids Do | Reader's Digest

Even though you can't control the final outcome, you've stacked the deck in your child's favor. That's what your job as a parent is. Get into the mind-set that everything you do as a parent ultimately is part of validating or nurturing your children, especially during their teen years — preferably in ways they don't consider offensive or embarrassing.

---

### Defining Success as a Parent - Focus on the Family

"Success lies in the parent-child fit that looks at how the characteristics of the parents and the child are able to work together. It takes the blame out of the equation. It looks at what is successful for each child and how can we help the parent to develop the flexibility to meet the needs of that child." Flexibility, she says, is key.
