The Welfare State Nobody Knows: Debunking Myths about U.S ...

The Welfare State Nobody Knows challenges a number of myths and half-truths about U.S. social policy. The American welfare state is supposed to be a pale imitation of "true" welfare states in Europe and Canada. Christopher Howard argues that the American welfare state is in fact larger, more popular, and more dynamic than commonly believed.

The Welfare State Nobody Knows : Debunking Myths about U.S ...

In The Welfare State Nobody Knows, Christopher Howard compellingly reveals an American welfare state that is at once larger than previously acknowledged and yet incapable of solving the fundamental social problems confronting the nation. The book, which combines narrative accounts and quantitative analysis, is up to date but historically grounded.

9780691138336: The Welfare State Nobody Knows: Debunking ...

THE AMERICAN WELFARE STATE is known far and wide as a chronic under achiever. Historically, the United States created social programs later than many nations. Currently, essential pieces of the American welfare state are poorly developed or completely missing. Eligibility rules and benefits can vary widely from state to state.
