Getting Your Dog to Walk ...~~

To teach your dog to heel, choose
a verbal command, such as "Right
here," and use it consistently
during training. Next, have your
dog stand next to you, say the
command, and show your dog the
heel position. Then, take a step or
two, repeat the command, and
put your dog into the heel
position again.

why people are not healed, and the fourth teaches that healing is governed by laws and reveals some of those laws.

~~Faith for Healing Is Based on Knowledge - Andrew Wommack ...~~

The first step to teaching heel is to teach the pup to follow. If you adopted an older dog, it is the same process. First, teach the dog to follow. Use food, say "let's go" and encourage the pup to follow. Lure the pup with the food right in front of his/her nose. Walk as you lure them, saying "let's go".

Sit, Heel, and Treat Continuously .
Start off with your dog sitting on your left side. Hold a handful of treats or the wooden spoon close to your dog's nose, and tell it to "heel." Begin to walk. For the first few tries, take just a few steps and give your dog treats continuously.

~~How to Train a Dog Your Heel— The Spruce Pets~~

Stage 1: Establish the heel position. What we are going to do is get the dog into the heel position, let him know that this is the position we are looking for and reward him for being there. We'll start in a quiet room or yard with no distractions, no other dogs, no kids, no toys, just you and the dog.

How to Teach the Dog to Heel?
There are a lot of methods out
there that many professionals
suggest for training your dog. The
best method to train your dog to
walk next to you is to lure him
and then reward. Since this is a
complex skill to master, you need
to ensure that the dog first
understands the basic commands
like sit, come, stay, and focus.

~~How to train your dog to walk to heel - YouTube~~

Walk for about ten steps and then stop. Praise your dog and reward her with the food. If you want her to sit at this time, either give her the cue word or move into her body while saying, 'stop.' That will teach her to stop and sit at the same time. Repeat this exercise several times gradually increasing the number of steps you take.
