development of the body of rules known as equity, English trust law and its spread into a modern body of trust law around Commonwealth and the United States. The law of trusts was constructed as part of "equity", a body of principles made by the Courts of Chancery, which sought to correct the strictness of the common law. The trust was an addition to the law of property, in the situation where one person held legal title to property, but the courts d

Equity essentially means fairness. Our legal system is based on these rules and this area of law gave birth to the law of trusts. Trust law is a set of rules that have been established to regulate situations where one person places trust in another person to look after their affairs. This includes the way that charities are run or the way that money left to somebody in a will is governed.
