The book examines trade unions in ten west European countries: Britain, Ireland, Sweden, Denmark, Germany,

Download File PDF Western Europe 2013 World Today

Austria, the Netherlands, Belgium, France and Italy. It describes how they have evolved historically and the main challenges which they currently face. It examines how they have responded to membership loss and (in many

Download File PDF Western Europe 2013 World Today

Stryker) to a weakening of collective bargaining, as well as a decline in political influence. Is there a general move towards union 'revitalization'? The book shows that there is indeed evidence of this, but

Download File PDF Western Europe 2013 World Today

Stryker
the process is uneven; unions in some countries have not yet experienced sufficient challenges to their established position, others seem to lack the capacity to respond strategically.

Political Change in Switzerland explains the

Download File PDF Western Europe 2013 World Today

Striking recent political developments in Switzerland, an important but surprisingly little known and often misunderstood country, aiming to dissipate prevailing myths about Switzerland in its European

context. Firstly, the title provides an analysis of the way the practice and processes of Swiss politics have so dramatically changed over the last 25 years, setting out the differences between outside perceptions

Download File PDF Western Europe 2013 World Today

Stryker and changing Swiss realities. Secondly, it discusses how far the country has moved, from the stability of the post-war period to a new era of uncertainty, in which the so called Sonderfall, or

Download File PDF Western Europe 2013 World Today

Stryker special case, no longer seems to apply. In doing so it analyses the populist movement, centred on the Swiss People's Party, examining its support and tactical operations, as well as the response of the

establishment to the challenges the movement poses, both generally and where key questions of policy on foreigners and the EU are concerned. Finally, the title explains how much of this change is related to

Download File PDF Western Europe 2013 World Today

Stryker, and discusses the prospects for Switzerland, Europe and the EU member states in the light of this new Swiss uncertainty. The way in which globalization has imposed new stresses on Switzerland, both in

Download File PDF Western Europe 2013 World Today

external policy and social terms, is the key theme of the title. These stresses have, in turn, encouraged the growth of a new populist movement, drawing on social classes previously supportive of other forces,

and employing aggressive new tactics, creating a challenge that the establishment has found it hard to counter, so that stability has been compromised. As a result, Switzerland now faces two

Download File PDF Western Europe 2013 World Today

Stryker linked policy challenges, to find ways of accommodating unease about immigration and to devise a realistic and widely acceptable new relationship with the EU. The book's underlying belief is that these changes have

Download File PDF Western Europe 2013 World Today

left the country divided and uncertain about its future. This title offers in-depth analysis of Switzerland's domestic and European politics and policies. It is also innovative in trying both to bring out the
