The Lymphatic System - What you need to know with Dr
NickelstonYour Health A Corrective System

Synopsis. First published in 1934, this reprint of "Your Health"
includes Joseph Pilates' early Twentieth Century philosophies,
principles, and theories about health and fitness. He bases his work
on the concept of a balanced body and mind, drawing on the
approach espoused by the early Greeks. While some of his personal
philosophies reflected early 20th Century viewpoints, his athletic
and fitness doctrines were years ahead of his time.

Your Health: A Corrective System of Exercising that ...
Every function in your body is controlled via your nervous system, so any interference with it will cause issues. Therefore, the first order of business is often to address any such interference. Once we do that, we often prescribe a corrective care plan including nutrition, corrective exercise, stem cell therapy, and other techniques that will help us optimize your health.
