Her entire world forever changed, she faces hard times and joins the Ballet Russe in Paris. And then, when life is kind to her, Zoya moves on to a new and glittering life in New York. The days of ease are all too brief as the Depression strikes, and she loses everything yet again. It is her career, and the man she meets in the course of it, which ultimately save her, as she rebuilds her life through the war years and beyond. And it is her family that comes to mean everything to her. From the roaring twenties to the 1980's, Zoya remains a rare and spirited woman whose legacy will live on.

and goats that our neighbors kept outside their mud houses, looked beautiful to me after the snow had covered them in white during the long night. Though she is only twenty-three, Zoya has witnessed and endured more tragedy and terror than most people experience in a lifetime. Born in a land ravaged by war, she was robbed of her parents when they were murdered by Muslim fundamentalists. Devastated, she fled Kabul with her grandmother and started a new life in exile in Pakistan. She joined the Revolutionary Association of the Women of Afghanistan (RAWA), an organization that challenged the crushing edicts of the Taliban government, and she took destiny into her own hands, joining a dangerous, clandestine war to save her nation. Direct and unsentimental, Zoya vividly brings to life the realities of growing up in a Muslim culture, the terror of living in a perpetual war zone, the pain of losing those she has loved, the horrors of a woman ' s life under the Taliban, and the discovered healing and transformation that lead her on a path of resistance.
